Local Priorities & Updates

Priority	Update
ASB, Criminal Damage and Graffiti – Longfield Area	We have been made aware of issues in and around the areas of Worsted Close play park as well as the courts next to Oasis Academy. Reporting of these issues remains low, however high visibility targeted patrols have and will continue to be conducted in the area. ASB surveys have recently been sent out, and responses will be reviewed in due course.
Reports of a male approaching addresses and asking for money	This matter has been reported to the police across all areas of Trowbridge, as well as surrounding towns. Local police are aware, and would encourage the community to report these matters to the police, rather than via social media. Work is ongoing to collate the information, obtain statements and suitable enforcement action can then be taken.
ASB and Public Order Offences – Broad Street Area	Trowbridge Response and Neighbourhoods teams received an increase in reports of ASB and public order offences throughout the end of June / beginning of July, with some reports of Racially Aggravated abuse having been shouted. The teams worked closely together to secure evidence, and as a result a 35 year old male from the area was arrested and charged with a variety of offences. Whilst initially remanded into custody, he has since been released with strict bail conditions not to return to the area. Work is ongoing with partner agencies, such as the housing provider to ensure all parties are supported appropriately.
ASB – Studley Green	Ongoing partnership working is currently taking place in relation to a specific address within the Studley Green area. This address has been brought to our attention following reports that a number of youths were being allowed to use the address to consume drugs and alcohol. Appropriate enforcement action will be taken, and ongoing work to support the young people is being carried out.
Violence against the Crime – all areas	Over a 6 week period Wiltshire Police received 15 + reports of violent type crime relating to a 14 year old individual. Intensive work involving the individual alongside the police, social services and the youth offending team has seen no new reports relating to this youth.
