REPRESENTATION FORM

This form must be returned within the statutory period, which is 28 days from the date the notice was displayed on the premises or the date specified in the public notice in the newspaper. Please contact the Licensing team to confirm this date.

Any individual, body or business can make a Representation to the Licensing Authority in relation to an application, regardless of their geographic proximity to the premises. Any Representation must be relevant, in that the Representation relates to one or more of the Licensing Objectives.

Premises about which representation is being made	4a-4b Endless Street, Salisbury, SPIIDL. License: 7 days 10.00-02.00.
Your Name	[REDACTED]
Postal Address	[REDACTED] Chequer, Salisbury. SPI. IAK.
Contact Telephone Number and Email address	[REDACTED]
Are you (please tick): <ul style="list-style-type: none">• An individual? <input checked="" type="checkbox"/>• A person who operates a business?• A person representing residents or businesses?• A member of the Relevant Licensing Authority (ie, elected Councillor of the Licensing Authority)?	
If you are representing residents or businesses who have asked you to represent them?	

Your Representation must relate to one of the four Licensing Objectives, which are detailed below. Please detail the evidence supporting your Representation and the reason for your Representation. If necessary, separate sheets may be used.

LICENSING OBJECTIVES	EVIDENCE
The protection of children from harm	

<p>The prevention of public nuisance</p> <p>Music that invades other people's property.</p>	<p>music, what kind: if a continuous repetitive beat as I experienced recently from a near neighbour (evidence*) that entered all parts of my flat, it became akin to abuse. Then, I fear more of this.</p>
<p>The prevention of crime and disorder</p> <p>Patrons leaving at late hours seven days a week after alcohol.</p>	<p>Common experience, voices become louder and excitable. Depending on the maturity of the clientele foul language + fighting can take place. The hours and days of the week should be reduced preventing late disturbance.</p>
<p>Public safety</p> <p>Application to remain open till 2am 7 days a week.</p>	<p>This sounds more like provision for a night club. Should the applicant submit a different submission? Public safety may vary at different times of day. Eg: hardened criminals may operate later with less security is available.</p>

Please list below any suggested actions that you feel the applicant could take to address your concerns:

Generally, contain noise levels, deal with unruly behaviour and be aware that nearby are people's homes. My home is some 19 yards away and at aged 56 I expect some consideration from my local authority and other citizens as I show to others.

Noise for business or pleasure belongs to those who produce it, require it and should be contained by them.

The hours and days of the week should be reduced.

* I have evidence with logs, emails and reports to/ communication with Wiltshire Police.

If a hearing needs to be held to determine the Premises Licence Application, the Licensing Sub-committee will generally only be able to consider matters that have previously been disclosed. However, additional information in support of your Representation may be considered if all parties at the Hearing agree. We advise that you detail all matters that you wish to be considered on this initial Representation, attaching additional sheets if necessary.

If you do make a Representation you will be invited to attend the Licensing Sub-Committee Hearings and any subsequent appeal proceedings relevant to your Representation.

All Representations in their entirety, including your name and address, will be disclosed to the Premises Licence applicant. A copy of Representations will be annexed to the Licensing Officer's report, which is a public document published on the Council's website and circulated to the Licensing Sub-Committee and to all those who have made relevant Representations.

 Thank you for your recent Email . I feel that the opening hours of midnight are too late and will keep noise on the streets till late as clients leave for home. Eleven pm would be more appropriate. May I draw your attention to The Planning Inspectorate Appeal Ref App/Y3940/W/15/3124783 of 15 Oct 2015 (Former Bus Station.) Quote, Section 5 Noise . Two properties adjoining the site, 4 and 6 Endless Street, have planning permission for a night club usethe acoustic properties of the buildings would allow the escape of significant noise levels which could not be adequately attenuated by insulation of the new flats.....The new flats refer to Sarum Lodge. The application of Damiee Ltd would need to be aware of the report of The Planning Inspectorate so as to address any escape of noise.

Regards,
