<u>Minute No..</u>	<u>Summary of Issues Discussed and Decision</u>
31	<p><u>Chairman's Welcome and Introductions</u></p> <p>The Chairman welcomed everyone to the meeting of the Chippenham and Villages Area Board.</p>
32	<p><u>Apologies</u></p> <p>Apologies for absence were received from Councillor Howard Greenman and Councillor Adrian Foster. Additionally apologies were received from Philip Wilkinson, Police and Crime Commissioner for Wiltshire and Swindon as well as Inspector James Brain (Wiltshire Police), who had arranged for Sergeant Richard Marshall to attend the meeting in his absence.</p>
33	<p><u>Minutes</u></p> <p>The minutes of the meeting held on 27 September 2021 were presented for consideration. The Chairman raised the following points that arose from the previous minutes:</p> <ul style="list-style-type: none"> • Regarding Future Chippenham, the Chairman noted that workshops had taken place in the past two weeks. • Regarding the Chippenham Place Partnership, it was updated that this group is still being formulated and a meeting is yet to take place. <p><u>Resolved</u></p> <p>To approve the minutes as a correct record.</p>
34	<p><u>Declarations of Interest</u></p> <p>Councillor Ross Henning declared that he is a trustee of the Community Hub.</p>
35	<p><u>Chairman's Announcements</u></p> <p>The chairman gave the following updates:</p> <ul style="list-style-type: none"> • Changes to Wiltshire's Taxi Tariffs <p>The Chairman drew attention to a briefing note attached to the agenda which provided an update regarding the proposed changes to the Taxi Tariff Schedule for Hackney Carriages in Wiltshire. The note included information that was shared with the Licensing Committee at its meeting on 13 September 2021. Approval had already been provided for the proposals to be implemented, which will take place on 4 January 2022 subject to the proposals being advertised and undergoing standard consultation processes.</p> <p>It was also raised by Area Board Members that it would be positive for there to</p>

be a move towards the use of electric taxis in the future.

- **Update on Leisure Centres Transferring to Wiltshire Council**

The Chairman drew attention to the leisure insourcing project, which would see 10 leisure centres currently managed by Places Leisure move over to Wiltshire Council. This transfer would include The Olympiad, Chippenham and further information, and a frequently asked questions section can be found on a webpage via the included link in the report.

Councillor Doctor Nick Murry added that he had spoken to the Cabinet as well as Chippenham Town Council in regard to receiving additional CIL funding in order to return The Olympiad to its previous state.

- **Wiltshire Youth Council Update**

The Chairman referred to the report attached to the agenda which provided an update on the Wiltshire Youth Council. The Wiltshire Youth Council will start next year, with representatives from secondary schools across the county elected to speak out on issues that are important to them. Schools have been invited to encourage 11–17-year-olds to put themselves up for election, with elections due to take place between 31 January 2022 and 4 February 2022. Further information on the Wiltshire Youth Council, can be found in the agenda pack.

Following the announcement there was time for the following points to be raised:

- It was confirmed that all of the schools in Chippenham have submitted candidates for the Wiltshire Youth Council.
- It was raised that though the Wiltshire Youth Council plan to allow elected young people to spend time with elected Members of Wiltshire Council; it could be positive and educational for them to also spend time with the leader of the opposition as well as the Chairman and Vice-Chairman of the Scrutiny Committee.
- It was suggested that Area Board Members approach schools and ask whether they would be prepared for Members to visit and give talks.

- **Community Governance Review**

The Chairman drew attention to the briefing note attached to the agenda which related to a survey being undertaken for a community governance review, including an ongoing survey on a proposed change to the name of Biddestone Parish Council. The surveys, along with other information, would enable the Electoral Review Committee to consider if any changes should be made to parish governance arrangements in these areas.

- **Bike Theft Crime**

The Chairman updated that The Chippenham and Villages Area Board are working with Wiltshire Police to deal with the rise in bike theft crime and are supporting bike marking days by investing in specialist kits.

	<p><u>Resolved</u></p> <p>That the Chippenham and Villages Area Board approved £540 of funding towards bike marking kits.</p> <p>It was noted that eventually once the bike marking event is arranged, that Area Board Members are made aware so that they can promote the event and also attend in recognition of the finding provided by the Area Board.</p>
36	<p><u>Partner Updates</u></p> <p>Updates were received from the following partners:</p> <ul style="list-style-type: none"> • Wiltshire Police The Area Board received a verbal update from Sergeant Richard Marshall. An overview was provided of the performance over the last 12 months to September 2021, which included the following points: <p>An overview of the local priorities for Chippenham was provided, which included the following areas:</p> <ul style="list-style-type: none"> • Current issues surrounding the town centre of Chippenham and bike thefts – It was updated that during the past two months, the Police have seen a year high of bike thefts. These thefts have been committed by one group of people, who have now been identified, with the potential that three members of the group will be charged with 30-40 charges including for theft, bike theft, anti-social behaviour and possession of weapons. Op Sleigh is set to take place over the Christmas period, with the hope that there will be a decrease in crime. • Increase in anti-social behaviour and crimes by a large group of youths in Chippenham town centre – It was noted that this problem is also being caused by the same group of individuals, with acts of abuse towards shop staff and members of the public as well as criminal damage having taken place. The Police are using their power to issue community protection notices, with ringleaders targeted. • Shop Theft – Also linked to the same group of individuals, normal Christmas increases of shop thefts have taken place, however these have been exasperated by the linked group. The Police are looking to bring the charges together in order to apply serious conditions. • County Lines and local line drug dealers – The Police recently secured numerous charges on people within local lines dealing high amounts of Class A drugs. The Police have so far secured charges for 4 cases of conspiracy to supply Class A drugs. Convictions will range from 2 to 6 years, with the hope that this will have a huge impact on the amount of drugs sourced from within Chippenham. <p>Following the verbal update there was time for the following questions and points to be raised:</p>

- It was queried whether the CCTV would be able to be placed in specific locations to address concerns. Such requested locations were prominent locations within the town centre, the A350 to act as a visible deterrent for speeding as well as in Pewsham.
- It was questioned how much of a difference the new HD CCTV is providing to the Police. To which it was clarified that the difference has been positive, with the improved quality allowing for distinguishing features on both property and individuals to now be identified.
- It was suggested that Sergeant Marshall and Councillor Doctor Nick Murry meet, in order to discuss where new cameras would be best placed for the Cycle Network Group.
- Clarity was sought regarding the group causing anti-social behaviour issues and bike thefts. It was stated that this group are local (Chippenham, Calne and Bath) although they travel to be together in Chippenham.

- **Dorset & Wiltshire Fire & Rescue Service**

The Area Board received a verbal update from District Commander, Tim Elliott. The update covered the following:

- The importance of prevention work was referenced, in order to make sure that fires and incidents don't occur. The fire service offers Safe and Well visits to those who could be living alone, are over 65 years old, have a health condition or might not have a smoke detector. Safe and Well visits are free and last one hour, covering such topics as individual needs, good practice, cooking and electrical safety. The following phone number: 0800 0382323 and website: <https://www.dwfire.org.uk/safety/safe-and-well-visits/> can be accessed for those interested in booking a visit.
- There has been on-going interaction by the Protection Team with local businesses and private landlords within the town to raise awareness of general fire safety. Complaints can be raised regarding commercial premises by using the following email: enforcement@dwfire.org.uk as well as calling 01722 691717 during office hours or 0306 7990019 out of office hours.
- The Fire and Rescue Service are currently looking to recruit on-call firefighters, who though they have "normal" jobs during the day, they are available when at home overnight and weekends to be on call. On-call firefighters receive the same level of training and equipment and training as those who are professional. For those interested in becoming an On-call firefighter, further information can be found via the following link: www.dwfire.org.uk/workingfor-us/on-call-firefighters/.
- There have been no real incidents to respond to since the last Area Board meeting and though incident numbers are higher, it is expected. In particular, possibly linking to the Police update, there have been issues with fire alarms in the Saddlers Mead and Monkton Park Area. The Fire Service are working to reduce anti-social behaviour with partners.

	<p>Following the verbal update there was time for the following questions and points to be raised:</p> <ul style="list-style-type: none"> • It was encouraged that the Fire Service apply for Area Board grant funding to help fund SPECTRA (previously Salamander) courses. • The safety concern of Christmas lights on homes was raised, with reassurance provided that communications will be put out in the near future to address fire risk surrounding lights. • It was acknowledged that it was positive to see that the Safe Drive Stay Alive roadshow has returned to schools. Tim Elliott updated that recently one at Hardenhuish School was cancelled due to Covid restrictions, although this will be rescheduled. <p>• BaNES, Swindon & Wiltshire Clinical Commissioning Group (BSW CCG)</p> <p>The Area Board noted written updates attached to the agenda. It was additionally clarified that though the closure of vaccination sites in Wiltshire was referenced within the report, Hathaway Medical Centre in Chippenham will remain open for vaccinations.</p> <p>• Older People / Carers Champion</p> <p>The following verbal update was received from Alison Butler, Carers Champion and Rural Representative. The update covered the following:</p> <ul style="list-style-type: none"> • Having previously spoken about local water quality at the previous Area Board, Alison had been in touch with Andrew Chatterley at Wessex water, who if the Area Board was to have an environment themed meeting, would be willing to attend. • Alison updated that she shared the same concerns as Julia Stacey, Older People Champion, that during current challenging times the Council has funded smaller community groups, which have effectively acted as a safety net, doing an excellent job. <p>Following the verbal update there was time for the following questions and points to be raised:</p> <ul style="list-style-type: none"> • It was stated that Wessex Water could attend Area Board meetings in order to provide partner updates, especially as they will be a key partner for the Chippenham River Festival. • During the previous Area Board meeting, funding was awarded to Avon Needs Trees towards the planting of trees on Stanley Lane. Planting is set to take place between now and Christmas, with volunteers welcome to help.
37	<p><u>Warm and Safe</u></p> <p>The Area Board received a presentation from Lorna Wilcox, Warm and Safe Wiltshire Project Officer. The presentation covered the following:</p>

	<ul style="list-style-type: none"> • Warm and Safe Wiltshire offer free and impartial energy saving advice to householders. Having started in 1979, the aim of the charity is to improve the energy efficiency of homes across Wiltshire as well as providing free and impartial advice to all residents. • Warm and Safe Wiltshire runs in Partnership with Wiltshire and Swindon Councils, Dorset & Wiltshire Fire and Rescue service as well as the public health sector including hospitals in the county. • Lorna explained the energy efficiency of homes and how different parts of the home allow for more or less heat to leave properties. Therefore meaning that different properties need different treatments, for example insulation and damp proofing, heating, prevention of damp and mould. • The charity also offers guidance on bills and debt, specifically how to understand bills and potentially switching tariffs and providers. Support is also provided to identify applicable supplier services and discounts. • As part of the partnership work conducted by Warm and Safe, people can be referred to the Dorset & Wiltshire Fire and Rescue service for Safe and Well visits. • For further information can be found on the Warm and Safe website: Warm and Safe Wiltshire <p>Following the presentation there was time for the following questions and points to be raised:</p> <ul style="list-style-type: none"> • It was questioned whether Warm and Safe have a FAQ guide of what to look out for with scammers. It was clarified that though there isn't a guide, Warm and Safe suggests that people don't engage with people knocking on doors and that they are always available as a way of identifying genuine schemes and for guidance on how to apply for them. • It was clarified that as an impartial charity, Warm and Safe do not partake in community energy buying schemes. • It was suggested that Warm and Safe contact the Community Hub in order to further promote their service.
38	<p><u>Community Hub</u></p> <p>The Area Board received a presentation from Sandie Webb from the Community Hub. The update covered the following:</p> <ul style="list-style-type: none"> • The Community Hub came about following the recognition that though Chippenham had community spirit, there was no central hub for community support, advice or signposting. • Following discussions with the owner of Borough Parade shopping centre, the Community Hub was given a shop with a 2-year rent free lease, including waived service charges. The Area Board and Town Council provided an initial grant, with the lease signed in April 2021. Collecteco also donated 61 items of furniture towards the Community Hub.

	<ul style="list-style-type: none"> • An explanation of what the Community Hub does was provided, including contributing towards making Chippenham a compassionate community, signposting with a variety of professional organisations to offer support, providing training courses for all ages and abilities. • The Community Hub works with a large variety of organisations in the local area with multiple purposes. • The Town Centre Development Team was established as the Community Hub wanted to be more recognised and heard. The aim is to ensure that community voice is heard whenever town centre development takes place. Examples of work have included community surveys. • The Town Environment Team was established to tackle community environment issues, such as knotweed in Monkton Park and along the river. Work is completed in conjunction with the Wiltshire Wildlife trust, Wiltshire and Town Councils. • Sandie stated that volunteers are always welcome at the Community Hub. <p>Following the presentation there was time for the following questions and points to be raised:</p> <ul style="list-style-type: none"> • Area Board Members sounded their appreciated for the work that the Community Hub has contributed to Chippenham as well as fostering the development of a community feel to Chippenham.
39	<p><u>Community Area Transport Group (CATG)</u></p> <p>The Chairman introduced the minutes and recommendations from the CATG meeting held on 17 November 2021.</p> <p><u>Resolved</u></p> <p>The minutes and recommendations of the Community Area Transport Group meeting held on 17 November 2021 were agreed as a correct record.</p> <p>The Area Board ratified the decision of the Community Area Transport Group that Parish Council and Town Council contribution had changed from 25% to 30% although permitting provision for a higher contribution if agreed by the Parish and Town Council concerned.</p> <p>Clarity was provided that the change regarding Parish and Town Council contribution would come into place from April 2022.</p>
40	<p><u>Area Board Funding</u></p> <p>The Area Board considered the following as detailed in the reports attached to the agenda.</p>
