

Shared Lives
Wiltshire

Do you live in Wiltshire?
Do you have a spare room?

If you would welcome an adult with care or support needs into your home on a short-term or long-term basis, then we would like to hear from you!

No qualifications are required, but a willingness to share your life with others, and provide care or support with enthusiasm, motivation and commitment is essential.

Following an approval process, you will receive a weekly fee and work as a self-employed professional.
