# Emergency Contact Hubs

- Hubs for an contact and communications in an Emergency
- Widely recognised in your community
- Supported and driven by the community
- Building your community knowledge and experience

# Example Usage – Power Outage

Hubs used for:

- Communication down to community from multi-agency environment
- Communication up from community to multi-agency partners
- Information point for community
- Safe space for community (e.g. warm, welfare, reassurance, information sharing)
- Well publicised in your community
- Your community decides how you want to run this

# Benefits

- Being part of the a National community resilience network – but designed to suit yourselves
- Build on your current community resilience structure – where ever you are in that process
- Formalises a process for us to communicate and give information to you and visa versa
- Allows information to be shared between all partners and communities quickly
- Enables you to support your vulnerable people, with access to wider network
- Community Driven, Community Owned, Community Decisions
- Muster provisions
