The Big Give Christmas Challenge - Wiltshire Young Carers Service

This year Community First is participating in [The Big Give Christmas Challenge](#) in support of our Wiltshire Young Carers Service.

We currently hold open cases for Wiltshire young carers, of which 14% are recognised as the most vulnerable with some in the safeguarding system. As well as the pressures of their caring role and having to balance their own school and relationship pressures alongside the additional caring role, the recent pandemic has increased stress and worry. A national survey carried out by Carers Trust showed 58% of young carers were caring for longer and 40% said their mental health was worse.

Funds raised through The Big Give Christmas Challenge campaign will provide respite activities and support plans for 15 young carers, 30 Young Carers will access remote group webinars and a further 15 young carers can access structured one-to-one mentoring and coaching programmes with our Young Carers Support Workers. This will help them with their mental health and wellbeing. With increased investment, we can receive up to 15 new young carer referrals from our partner agencies.

Your gift will help more young people feel less alone in their caring role, they will see that home life has improved, they will feel included, be better at attending school, and feel happier.

Through this national campaign, we are aiming to secure up to £4,000 in pledges from supporters and donors which will be match-funded for 7 days between **28th November to 5th December 2023**. This is a fantastic way to help make a difference for young carers in Wiltshire and one small donation e.g. £5 will have *twice* the impact during this period.

More information about our how to support our Big Give Christmas Challenge will be available on our website and social media channels from mid-November.
