#### Careless or inconsiderate driving

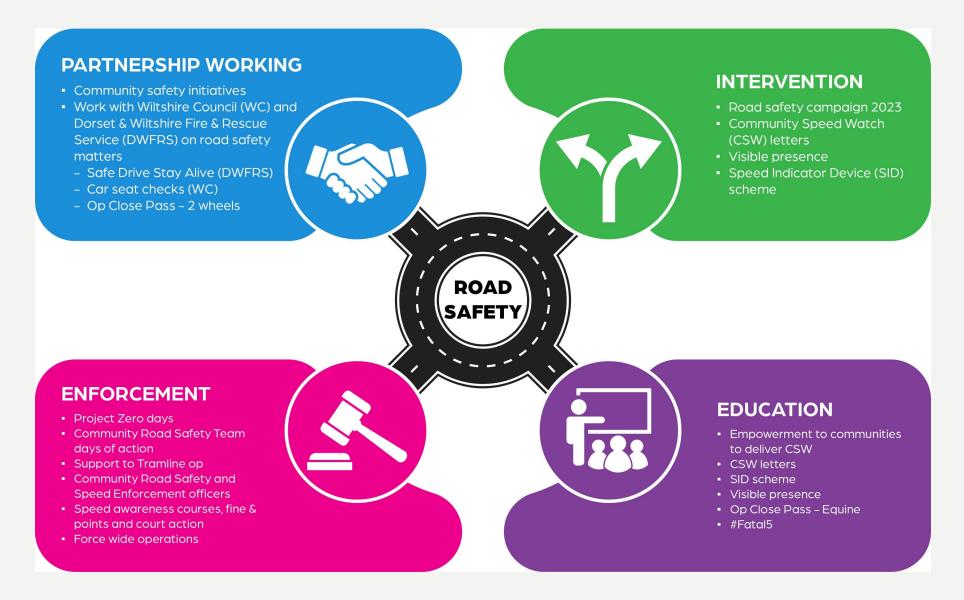

The offence of driving without due care and attention (careless driving) is committed when your driving falls below the minimum standard expected of a competent and careful driver, and includes driving without reasonable consideration for other road users.

#### Some examples of careless or inconsiderate driving are:

- overtaking on the inside
- driving too close to another vehicle
- driving through a red light by mistake
- turning into the path of another vehicle
- flashing lights to force other drivers to give way
- misusing lanes to gain advantage over other drivers
- the driver being avoidably distracted by tuning the radio, lighting a cigarette etc
- unnecessarily staying in an overtaking lane
- unnecessarily slow driving or braking
- dazzling other drivers with un-dipped headlights

## Wider work recently

Our Roads Policing Unit (RPU) in the last quarter, covering January to April issued over **2390 tickets** to motorists, for numerous road related offences.

- Op <u>Tramline</u> is running every month, in April the main focus was on mobile phone enforcement.
- 5 more RPU officers have joined the team.
- RPU ran a <u>MIB</u> no insurance operation focussing on the M4 in conjunction with TVP, A&S and Gwent Police. Wiltshire had 12 vehicles seized off the M4 and the highest in the region.
