To whom it may concern

My constituent Kate Loudoun of The Castle Inn, Bratton Road, Westbury, BA13 3EN has been in touch about licensing for the neighbouring establishment The Corner Food Takeaway 1 Bratton Road Westbury which I understand is operated by Mr Ibsi. I understand his application is to be determined tomorrow and Ms Loudoun has asked me to write to you.

Ms Loudoun tells me that she and other residents have suffered from the effects of the extractor fan and smell from The Corner Food Takeaway and that the business has been served with a noise abatement order. My constituent attributes litter and illegal parking to it and would consequently be concerned if you found in favour of the applicant.

Yours sincerely,

DR ANDREW MURRISON MP
