Local Priorities & Updates

Priority	Update
Non-dwelling Burglaries & Theft from motor vehicles	There has been an increase in reported non-dwelling burglaries and TFMV within the rural communities. The team have been involved in joint proactive operations with our Rural Crime team and neighbouring forces, to target possible offenders. Targeted patrols are continuing to be conducted.
Speeding	Increased speed checks have been carried out in The Avenue in Wilton and on Netherhampton Rd Harnham. A number of traffic offence reports have been submitted. These areas will continued to be a focus for the team. The team are also supporting CSW volunteers in other areas where possible.
ASB, Fly tipping & drug dealing	ASB, Fly tipping and drug dealing continues to be a problem within the city and the Friary. Significant partnership work is ongoing to reduce these incidents especially whereby repeated offenders are involved. Public consultations have been held within the Friary area in order to build trust within the community and identify any issues which had been previously reported. Several persons have been arrested with regards to drug offences, investigations are continuing. Joint operations are planned with regards to increased reports of fly tipping in the Coombe Bisset area.
Illegal use of E-Scooters	We have seen an increase in the use of e-scooters across many areas but predominately in the city centre. The team have continued to engage and educate people regarding the usage of e-scooters. Targeted patrols in hot spot areas have led to a number of e-scooters being seized from repeat offenders and persons reported for relevant offences,

Local Priorities & Updates Continued

Priority	Update
ASB & Graffiti	During the summer holidays we have received an increase in reports of ASB and graffiti in the New Skate Park in Old Sarum. Additional patrols are ongoing to educate and advise those youths believed to be involved. We did see an increase in ASB in the Downton area which part was associated with criminal damage offences. Targeted patrols and community consultation have taken place and we are pleased to report that criminal damage offences have significantly reduced within the last month.
ASB involving catapults & off road motorbikes	Whilst ASB regarding catapults has reduced, we have still received a couple of reports believed to be linked to the use of catapults in the Bemerton Heath area. There has been an increase in use of e-scooters and off road motor bikes in the area. We have continued to educate users and have seized a number of e-scooters from repeat offenders. We have also seized several off road motorbikes which have been used by juveniles.
Rural Crime	Rural crime continues to be a focus for the team especially during this time of year.. We are likely to see increased reports of poaching / hare coursing in the coming months. We will be conducting proactive operations with our neighbouring forces and our Rural Crime Team in tackling rural crime.

DORSET & WILTSHIRE FIRE & RESCUE SERVICE

AREA BOARD REPORT SEPTEMBER '21

Community Safety Plan

DWFRS Community Safety Plan can be found on the DWFRS website;
<http://www.dwfire.org.uk/community-safety-plan/>

Prevention

We are committed to making a real difference to the lives of people in Dorset and Wiltshire. Our aim is to reduce the level of risk and harm to our communities from fire, targeting those most at risk. We do this primarily through our Safe and Well visits.

A Safe and Well visit is **FREE** and normally lasts about one hour covering topics such as:

- Using electricity safely
- Cooking safely
- Making an escape plan
- What to do if there is a fire
- Keeping children safe
- Good practice – night time routine and other points relevant to you
- Identifying and discussing any further support the occupier may need

Are you or anyone you know:-

- Over the age of 65?
- Need a smoke detector?
- Have a long-term health condition?
- Suffer from poor hearing or sight loss?
- Would you struggle to escape in the event of a fire?

If you can answer yes to more than one of these questions, then please call us on 0800 038 2323 or visit <https://www.dwfire.org.uk/safety/safe-and-well-visits/>

Protection

On-going interaction by Protection Team members with Local Authorities, Private landlords and tenants regarding fire safety-related matters: external cladding systems; fire detection and warning systems; fire resisting doors (& self-closers); combustibility/fire resistance of construction materials; commercial and residential sprinklers systems and water-mist suppression systems

General Enquiries

If you have a general fire safety enquiry regarding commercial property, please email fire.safety@dwfire.org.uk and the Fire Safety Team will respond in office hours.

Fire Safety Complaint

If you wish to tell us about fire safety risks in commercial premises, such as locked or blocked fire exits, you have three options:

- You can email the fire safety department at enforcement@dwfire.org.uk
- Call 01722 69 1717 during office hours (9am-5pm).
- Call our Service Control Centre on 0306 799 0019 out of office hours (5pm-9am)

On Call Recruitment

Have you always wondered if you could join the fire service, but haven't had the opportunity to find out more? Have you found yourself seeking your next challenge, keen to give back to the local community or wanting to learn new skills including leadership and teamwork? Then becoming an on-call firefighter is for you.

As a paid position, on-call firefighters commit anywhere between 40 to 120 hours per week, during which time they must be able to respond to the station immediately.

Many have 'normal' jobs during the day, then upon their return home make themselves available overnight or during the weekends. Some of our crew respond from their workplaces during the day, and we are very grateful to their employers for releasing them to perform their vital duties.

Anyone over 18 years old can apply (although you can also apply once you are 17½) you must be able to respond and attend the fire station within 5-8 minutes, you have a good standard of physical fitness (i.e. you are generally active), and you must have the right to work in the UK.

Further information on becoming an On Call Firefighter can be found at www.dwfire.org.uk/working-for-us/on-call-firefighters/ or should you have any questions, you can call **01722 691444**.

Recent News & Events

Student accommodation

#WelcomeToLifeAtUni

There are things you can do to improve your safety and security as a student, especially if you're moving into new accommodation.

Every year, around 350 18-24 year olds are injured in accidental house fires started by cigarettes, smoking materials and cooking. Therefore, you need to make sure that you're familiar with the basics of fire and gas safety, as well as home and personal security.

By taking a few sensible precautions, you can help protect yourself from injury – or worse:

Get sweeping for Chimney Fire Safety

Dorset & Wiltshire Fire and Rescue Service (DWFRS) again supported the national Chimney Fire Safety Week, which ran this year from 30 August until 5 September.

Organised by HETAS – the Heating Equipment Testing and Approvals Scheme – as part of the Government's Fire Kills campaign, the awareness week calls for homeowners to act responsibly and get their chimneys swept by an approved sweep. This prevents chimney damage, and, in worst cases, household fires.

Due to the increasing trend of installing solid fuel fires, we are seeing our attendance at such incidents start to increase. A few simple steps in preventing the build-up of soot from catching fire will greatly reduce the need for the fire service to attend such incidents

For more top tips for staying fire safe at home, please visit www.dwfire.org.uk/safety-at-home.

Be one of us

Dorset & Wiltshire Fire and Rescue Service exists to make life safer for people. To do this, we need a dedicated, professional team of Operational and Corporate staff with a diverse range of skills, knowledge and expertise.

We rely on our staff to help us achieve our priorities and objectives, and we aim to develop and maintain a healthy, safe, well-trained workforce which is representative of our community.

We acknowledge that our workforce does not yet represent the communities we serve. In order to broaden our representation, we need to ensure that members of our community have an opportunity to understand our Service, what we do, our values and our culture. We use positive action approaches to help better inform our communities on how we operate and the careers available within the fire Service.

For further explanation on positive action and other aspects of what we do, please visit:-

Safety outdoors

Fire safety doesn't stop when you leave the house. We want you to keep safe when spending time outside. With more people taking to camping, caravanning, barbecuing and general outdoor leisure, always consider the fire risks.

Why not check out the Fire Kills campaign leaflet on [Fire Safety Outdoors](#) – lots of handy advice!

Local Incidents of Note *(Images courtesy of Salisbury Journal and Wiltshire Today)*

Since my last report, we have attended a number of fires in properties which have attracted interest from the media. All of these incidents, although stressful to the home owners, were successfully dealt with and no major injuries sustained.

One such incident was a fire in a communal stairwell within a block of residential flats in the Friary and we are working closely with our partners in Wiltshire Council to ensure that these areas which are covered by the Regulatory Reform Order for fire safety are maintained to a high standard and safe to use by those who reside in the properties.

The cause of this incident has been put down to arson and is currently under police investigation.

We have also attended a significant number of agricultural fires due to increased humidity and hot weather. Many of these fires have occurred naturally and are not deemed to be a cause of arson, however these types of fires prove immensely costly for the farmer and also require a large response from the fire service to deal with.

Let's keep life moving.
