# Local Priorities & Updates

Priority	Update
ASB	ASB continues to be a priority in the Alderbury and Longhedge area. There have been reports of ASB at the Recreation Ground in Alderbury and in Spiders Island. High Visibility patrols are being conducted at certain times to deal with any incidents and provide reassurance to the community. The police are working very closely with partner agencies including the Parish Councils, and local community groups to address some of the issues and concerns raised.
Rural Crime	Rural crime continues to be a focus for the team especially as we approach the poaching / hare coursing season. We are continuing to conduct proactive operations with our neighbouring forces and our Rural Crime Team in tackling rural crime.
Non –Dwelling Burglaries / Relay Theft	Whilst we have seen a reduction in non-dwelling burglaries and Relay Thefts (Keyless vehicle thefts) over the last couple of months, there has recently been a spate of burglaries in the Broadchalk and Landford areas. These have predominately involved the theft of tools and vehicles. The neighbourhood team will be conducting further proactive patrols during last evenings working with colleagues from Hampshire and Dorset to deter, identify and deal with any offences and offenders.
Off Road Motorbikes	We have seen a reduction in reports of off road motorbikes being ridden in St Peters Place and Bemerton Heath following proactive patrols and individuals being investigated for relevant offences. Reports suggest that this is now happening in Harnham. Local officers are continuing to patrol these areas to identify the perpetrators and deal with them robustly.

# Local Priorities & Updates Continued

Priority	Update
Community Speed Watch	The teams continue to support, where capacity allows, the positive work the Community Speed Watch teams do across the area.
Vulnerable checks	Officers conduct regular visits to our identified vulnerable people to both reassure them following reported concerns and to deter visits by criminals who wish to exploit them. We have been working closely with Wiltshire Council Housing on evidence to support several injunctions which we have now got in place. These premises are visited regularly by the teams to provide support to those who are most vulnerable.
Street Drinkers /ASB in City Centre	Reports of ASB and street drinking within the City Centre have reduced over the summer compared to previous months. The neighbourhood team are continuing to work with Wiltshire Council, Salisbury City Council and other partners to seek a PSPO for this area, which will assist in preventing some of the associated behaviour taking place. Local officers have been conducting Pulse Patrols, which are targeted high visibility patrols at specific times of the day where reports are more prevalent.
