#### 2 Definitions

**“Applicant”** means the person who has submitted an Application for consideration by the Committee.

### **3 Key Principles**

- 3.1 The principles of ‘natural justice’, and Article 6 ‘Right to a Fair Trial’, which is one of the Convention Rights in the Human Rights Act 1998, require that there is a fair Hearing of Applications.
- 3.2 Natural justice is an umbrella term for the legal standards of basic fairness. This will include that:
  - 3.2.1 the Applicant has an opportunity to make representations before a decision is made;
  - 3.2.2 those making representations have an opportunity to voice their representations before a decision is made;
  - 3.2.3 the Applicant has an adequate opportunity to consider and respond to any submissions made by a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation;

- 3.2.4 the Committee does not exclude an Applicant from a Hearing in order to consider submissions from a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation.
- 3.3 It is also fundamental that there is an orderly presentation of submissions at a Hearing so that the relevant issues are properly understood, evidence is tested and that oral statements made at the Hearing are accurately recorded.
- 3.4 Ultimately the Chairperson determines the application of these rules, having regard to any submissions being made by those present and in particular the Committee Lawyer.

## **4 The Hearing**

- 4.1 The Hearing shall take place in public.
- 4.1.1 The Committee may exclude the public from all or part of the Hearing where it considers it to be in the public interest to do so and, in accordance with the Local Government (Access to Information) Act 1985, as amended. Public includes a party and any person assisting or representing a party.
- 4.1.2 The Committee may require any person attending the Hearing who, in its opinion, is behaving in a disruptive manner, to leave the Hearing and may:
- A refuse to permit them to return;
  - B permit them to return only on such conditions as the Committee may specify;
  - C in the event that a person is required to leave a Hearing that person may, before the end of the Hearing, submit to the Committee in writing any information which they would have given orally.
- 4.2 Prior to the Hearing commencing, the Chairperson shall advise the parties of the procedure it proposes to follow at the Hearing.
- 4.3 Where a party has previously requested permission for a person(s), other than their representative, to appear at the Hearing then the Committee shall consider whether to permit that request.
- 4.4 The Committee will allow the parties an equal maximum period of time in which to exercise their rights.
- 4.5 This equal maximum time may have been notified in advance of the Hearing;
- 4.6 Where there are a number of people who have attended the Hearing to make the same representation then the Committee would normally require that a spokesperson be appointed by them to make the representations on behalf of all of those who have made Relevant Representations .

## **5 Presentation of Submissions**

- 5.1 The Chairperson will introduce the Application.
- 5.2 In the event that the Licensing Authority has given notice to a party requiring clarification on a point(s) then that party shall respond to the points raised by the Licensing Authority.
- 5.3 Submissions shall be made in the following order unless the Chairperson directs otherwise:
  - 5.3.1 The Licensing Officer will orally present the Committee Report and will in particular advise the Committee as to:
    - A the options available to it;
    - B the considerations that are relevant in reaching its decision.
  - 5.3.2 The Applicant (or the Applicant's Representative) will orally present its submission which may include:
    - A presenting their case in accordance with the papers, which will have been circulated with Agenda papers;
    - B confirming key information and answer pertinent questions; and
    - C calling witnesses in support of the Application (see paragraph 4.3).
  - 5.3.3 A Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation will orally present their representations in turn which shall include:
    - A the grounds of the representation to the Application; and
    - B any condition(s) that the Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation would be happy to have the Application granted subject to which would cause the representation to be withdrawn.

## **6 Questioning of Submissions**

- 6.1 The Chairperson will regulate the order in which questions are asked by Members.
- 6.2 The Chairperson and Members, voiced through the Chairperson, may question any party following the completion of their submission.
- 6.3 The Chairperson will normally permit the Applicant, a Responsible Authority/Authorities or any person/s who have made a Relevant Representation to ask questions through them of the other parties.
- 6.4 The Chairperson may direct that questions which are not relevant to the Application or one of the four Licensing Objectives are not formally put or answered.

## **7 Documentation**

- 7.1 No party shall present new documentation to the Committee at the Hearing other than with the consent of all of the other parties. This does not preclude the Licensing Officer from correcting errors, providing updated information or an extract from a local map showing the Applicant's Premises in the context of the surrounding premises and any person/s who have made a Relevant Representation . If any party is granted permission to present supplementary papers at the Hearing they shall provide at least 10 copies at the start of their submission.

## **8 Intervention**

The Chairperson shall permit the following interventions at any point in the Hearing:

- 8.1 The Committee Lawyer to advise the Committee on issues of law, procedure and relevant considerations on decision making. If necessary, the Chairperson may require the Committee, the Committee Lawyer and the Committee Manager to leave the Hearing so that advice can be given.
- 8.2 The Committee Manager to advise the Committee on procedure generally, or to request that statements made are repeated for reasons of clarity and so that they can be properly recorded.
- 8.3 The Licensing Officer to seek to clarify statements that have been made in light of information held on their file.

## **9 Failure of Parties to Attend Hearing**

- 9.1 If a party has informed the Licensing Authority that it does not intend to attend or be represented at a Hearing, the Hearing may proceed in its absence.
- 9.2 If a party has not indicated that it does not intend to attend or be represented at a Hearing and fails to attend or be represented at the Hearing then the Licensing Authority may:
- 9.2.1 where it considers it be necessary in the public interest, adjourn the Hearing to a specified date; or
- 9.2.2 hold the Hearing in the party's absence.
- 9.3 Where the Licensing Authority holds a Hearing in the absence of a party, it shall consider at the Hearing the application, representations or notice made by that party.

## **10 Closing Submissions**

- 10.1 The Chairperson shall allow first, the Responsible Authority/Authorities and any person/s who have made a Relevant Representation to make a closing oral submission(s) and secondly invite the Applicant or the Applicant's Representative an opportunity to make an oral closing submission in support of the Application.

## **11 Decision**

- 11.1 The Committee, the Committee Lawyer and the Committee Manager, shall retire so that the decision may be considered in private, and to consider any legal issues raised by the Members.
- 11.2 The decision, and reasons for the decision, of the Committee shall be communicated orally by the Chairperson to the parties after the Committee has deliberated in private on the Application.

Dear Liza

Following our earlier conversation I have now spoken to Danny Adams, Business Partner at the Greyhound, reference the application to vary the Premise Licence.

The application to extend the hours to serve alcohol from midnight to 1.00am was to appease a number of local drinkers who prefer to use the Greyhound rather than the Social Club.

However Danny does not want to create unnecessary problems in the village and is happy to remove this part from the application to vary.

He will apply for Temporary Event Notices to cover specific events and monitor if there are any issues with noise or public nuisance.

With regard to the application to extend the music from 11.00am to Midnight and the opening hours to public from 9.00am to 10.00am we would like this to be granted.

I am reliably informed the notice was advertised in the Western Daily Press on 9<sup>th</sup> June, I have a copy of the draft in the file but not the actual newspaper.

I hope this compromise allays the fears of local residents who have objected to the variation but if you want to discuss further please do not hesitate to contact.

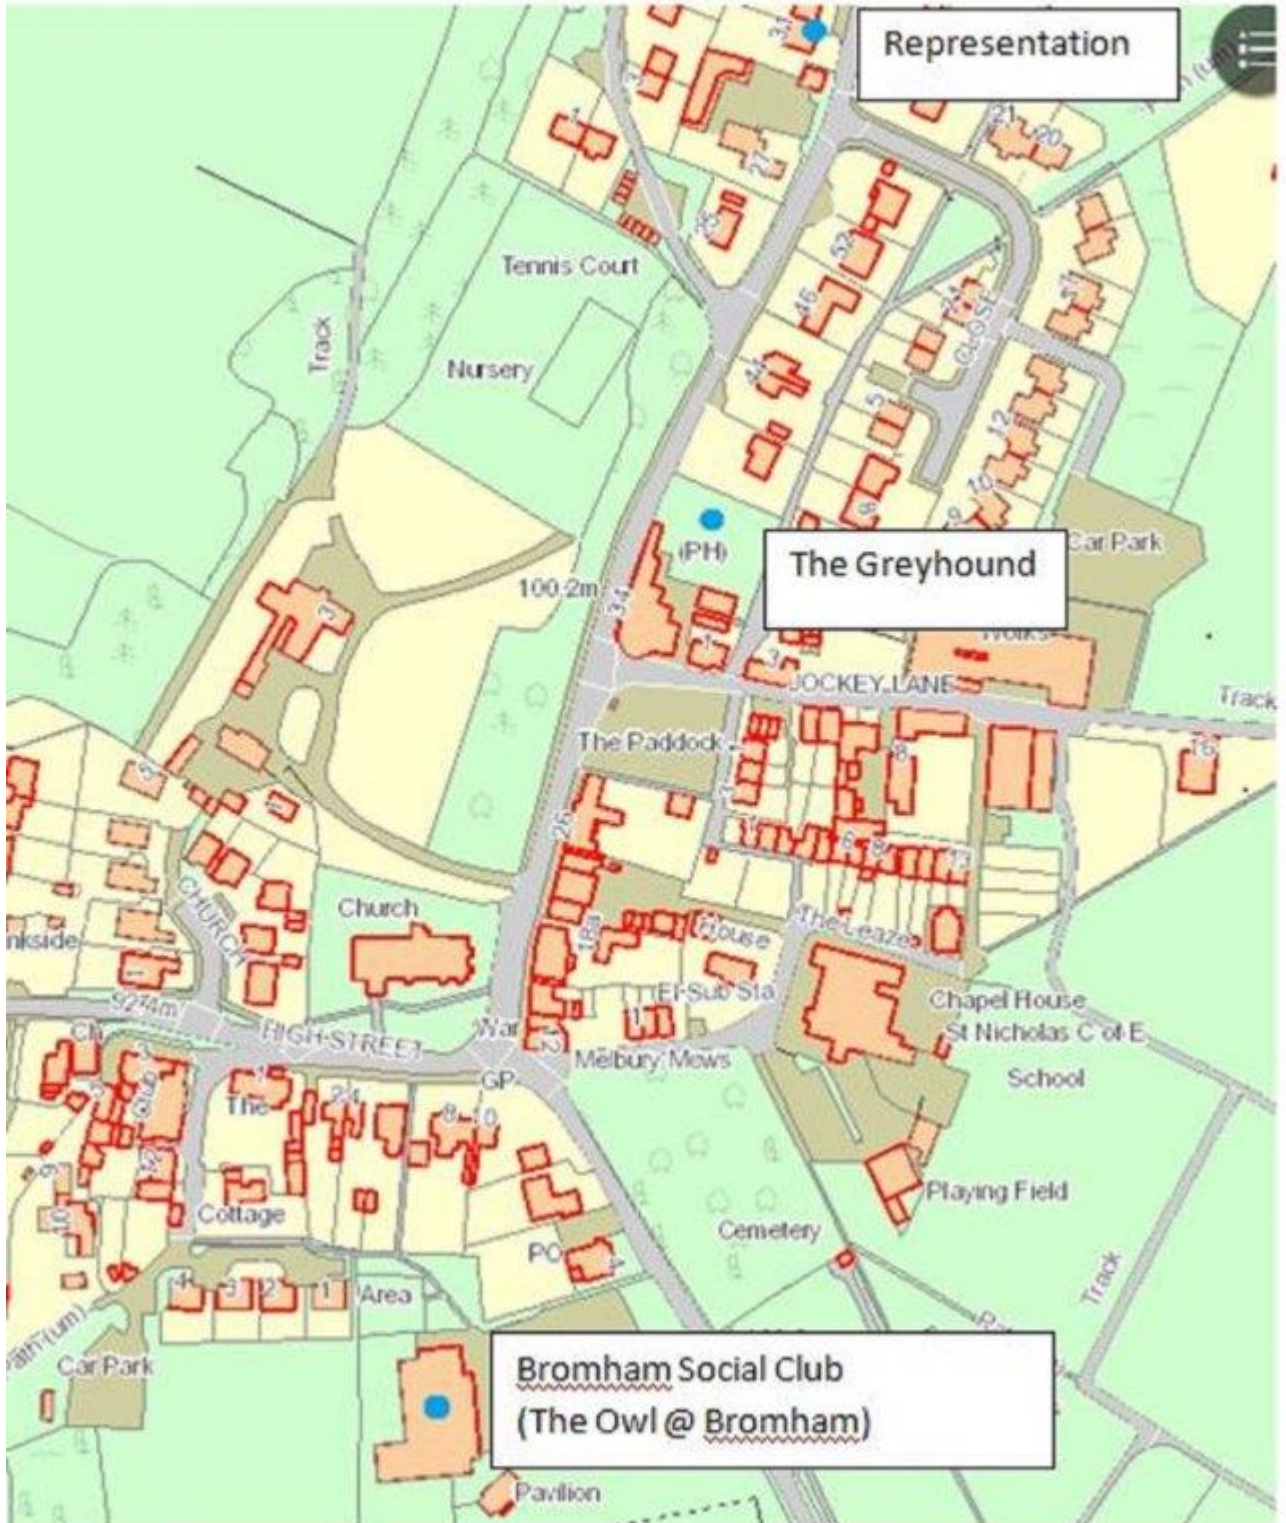

Kind regards

Lloyd

Ref WK/201712621

The Greyhound Bromham

I wish to strongly oppose the variation to the Greyhounds premises licence on the following grounds

The premises are in the middle of a quiet village and extending the entertainment to 0000 will cause the noise level to be high too late into the night and when in the past entertainment has been outside the building, it can be heard up to 1 km from the pub and to run such events until 0000 would be anti social to the rest of the village. So what things are being put in place inside and outside to keep the noise level to a minimum to protect the local villagers.

Increasing the retail hours to 0100 will mean that the villagers will have to put up with cars and people leaving the premises for at least a hour after that time which is unfair for the homes around the pub many who have to work weekends and in my view is unwanted and unwarranted invasion into villagers lives

Also the pub has no car park of it's own and is using the village car park next door to which in recent years has had some vandalism and anti social behaviour at late at night.

I believe that 12hrs opening time is more than sufficient for the villagers of Bromham

Your faithfully  
Miss K.M. Hobbs

Good morning

Thank you for your objection to the above variation application.

your representation will now be forwarded to the applicant for their information.

A hearing will be arranged for the application to be heard before the Licensing Sub-Committee. Your representation will therefore form part of the report which will become a public document, and can be viewed on the Wiltshire Council website once published. You will also be invited and expected to attend the hearing to demonstrate your concerns in at this forum.

I would like to point out that the applicants have included the following further conditions within the variation, which would form part of the licence if granted:-

Windows and Doors to be kept closed after 23:00 hrs

Contact telephone number made available to local residents which can be used to report noise disturbance

Prominent notices to be displayed on all exit doors requesting patrons to leave the premises quickly and quietly and respect the neighbours

Carry out regular monitoring of noise to the outside area of the premises to ensure no disturbance to local residents

The applicants have had an opportunity to read through representations already received over the variation and have responded with the following:-

**The application to extend the hours to serve alcohol from midnight to 1.00am was to appease a number of local drinkers who prefer to use the Greyhound rather than the Social Club.**

**However Danny does not want to create unnecessary problems in the village and is happy to remove this part from the application to vary.**

**He will apply for Temporary Event Notices to cover specific events and monitor if there are any issues with noise or public nuisance.**

**With regard to the application to extend the music from 11.00am to Midnight and the opening hours to public from 9.00am to 10.00am we would like this to be granted.**

**I hope this compromise allays the fears of local residents who have objected to the variation but if you want to discuss further please do not hesitate to contact.**

As mentioned above the applicants have requested to remove the extension of alcohol sales to 01:00 hrs, therefore this will remain at 00:00 hrs.

In view of the above modification please consider this amendment to the application and let me know if you would like to proceed with your representation or withdraw. Please can I ask that you respond to me by end of today 3rd July with your decision.

Thank you for your reply and after reading your email I wish my objections to the change to the Greyhound licence to stand.

I note the removal of the drink time limit from the application.

As for the conditions to which you list I feel that these in the main are contradicting themselves and will be impossible to enforce, because if the Greyhound thought they could, they would not be giving a phone number out for people to complain. Would this number be private and confidential. ( I do not think so).

As for keeping doors etc closed I do not see that this is going to work as people will be coming and going all night.

Also I would not be ringing the pub late at night/ early hours of the morning about the noise/antisocial, if I had to make a call it would be to the police or Wiltshire Council anti social team to sort it out.

There is not a social club in Bromham. The social club was closed a few years ago and then turned into a pub. The pub (The Owl) is next to village hall which is run as a commercial business.

Your faithfully  
Miss K.M. Hobbs
