LICENSING COMMITTEE

PROCEDURAL RULES FOR THE HEARING OF LICENSING ACT 2003 APPLICATIONS

1 Purpose

- 1.1 These rules have been prepared to facilitate proper consideration of licence applications, made under the Licensing Act 2003, by the Licensing Committee and its Sub Committees.
- 1.2 The rules set out a framework for how applications are to be heard and explain the role of the participants at the Hearing.

2 Definitions

- 2.1 The following definitions describe the participants at and the subject matter of a Hearing:

“Applicant” means the person who has submitted an Application for consideration by the Committee.

“Application” means an application for the Grant/Variation/Transfer/Review and any other decision to be made by the Committee/Sub-Committee in respect of a Licence.

“Chairperson” means the Member who is the Chairperson of the Committee for the particular Hearing.

“Committee” means the Council’s Licensing Committee and includes any Sub Committee of the Licensing Committee.

“Committee Lawyer” means the Council’s Lawyer (including an external Lawyer instructed by the Council’s Legal & Democratic Services Manager) who is present at a Hearing to advise the Chairperson and the Members.

3 Key Principles

- 3.1 The principles of ‘natural justice’, and Article 6 ‘Right to a Fair Trial’, which is one of the Convention Rights in the Human Rights Act 1998, require that there is a fair Hearing of Applications.
- 3.2 Natural justice is an umbrella term for the legal standards of basic fairness. This will include that:
 - 3.2.1 the Applicant has an opportunity to make representations before a decision is made;
 - 3.2.2 those making representations have an opportunity to voice their representations before a decision is made;
 - 3.2.3 the Applicant has an adequate opportunity to consider and respond to any submissions made by a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation;

- 3.2.4 the Committee does not exclude an Applicant from a Hearing in order to consider submissions from a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation.
- 3.3 It is also fundamental that there is an orderly presentation of submissions at a Hearing so that the relevant issues are properly understood, evidence is tested and that oral statements made at the Hearing are accurately recorded.
- 3.4 Ultimately the Chairperson determines the application of these rules, having regard to any submissions being made by those present and in particular the Committee Lawyer.

4 The Hearing

- 4.1 The Hearing shall take place in public.
- 4.1.1 The Committee may exclude the public from all or part of the Hearing where it considers it to be in the public interest to do so and, in accordance with the Local Government (Access to Information) Act 1985, as amended. Public includes a party and any person assisting or representing a party.
- 4.1.2 The Committee may require any person attending the Hearing who, in its opinion, is behaving in a disruptive manner, to leave the Hearing and may:
- A refuse to permit them to return;
 - B permit them to return only on such conditions as the Committee may specify;
 - C in the event that a person is required to leave a Hearing that person may, before the end of the Hearing, submit to the Committee in writing any information which they would have given orally.
- 4.2 Prior to the Hearing commencing, the Chairperson shall advise the parties of the procedure it proposes to follow at the Hearing.
- 4.3 Where a party has previously requested permission for a person(s), other than their representative, to appear at the Hearing then the Committee shall consider whether to permit that request.
- 4.4 The Committee will allow the parties an equal maximum period of time in which to exercise their rights.
- 4.5 This equal maximum time may have been notified in advance of the Hearing;
- 4.6 Where there are a number of people who have attended the Hearing to make the same representation then the Committee would normally require that a spokesperson be appointed by them to make the representations on behalf of all of those who have made Relevant Representations .

5 Presentation of Submissions

- 5.1 The Chairperson will introduce the Application.
- 5.2 In the event that the Licensing Authority has given notice to a party requiring clarification on a point(s) then that party shall respond to the points raised by the Licensing Authority.
- 5.3 Submissions shall be made in the following order unless the Chairperson directs otherwise:
 - 5.3.1 The Licensing Officer will orally present the Committee Report and will in particular advise the Committee as to:
 - A the options available to it;
 - B the considerations that are relevant in reaching its decision.
 - 5.3.2 The Applicant (or the Applicant's Representative) will orally present its submission which may include:
 - A presenting their case in accordance with the papers, which will have been circulated with Agenda papers;
 - B confirming key information and answer pertinent questions; and
 - C calling witnesses in support of the Application (see paragraph 4.3).
 - 5.3.3 A Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation will orally present their representations in turn which shall include:
 - A the grounds of the representation to the Application; and
 - B any condition(s) that the Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation would be happy to have the Application granted subject to which would cause the representation to be withdrawn.

6 Questioning of Submissions

- 6.1 The Chairperson will regulate the order in which questions are asked by Members.
- 6.2 The Chairperson and Members, voiced through the Chairperson, may question any party following the completion of their submission.
- 6.3 The Chairperson will normally permit the Applicant, a Responsible Authority/Authorities or any person/s who have made a Relevant Representation to ask questions through them of the other parties.
- 6.4 The Chairperson may direct that questions which are not relevant to the Application or one of the four Licensing Objectives are not formally put or answered.

7 Documentation

- 7.1 No party shall present new documentation to the Committee at the Hearing other than with the consent of all of the other parties. This does not preclude the Licensing Officer from correcting errors, providing updated information or an extract from a local map showing the Applicant's Premises in the context of the surrounding premises and any person/s who have made a Relevant Representation . If any party is granted permission to present supplementary papers at the Hearing they shall provide at least 10 copies at the start of their submission.

8 Intervention

The Chairperson shall permit the following interventions at any point in the Hearing:

- 8.1 The Committee Lawyer to advise the Committee on issues of law, procedure and relevant considerations on decision making. If necessary, the Chairperson may require the Committee, the Committee Lawyer and the Committee Manager to leave the Hearing so that advice can be given.
- 8.2 The Committee Manager to advise the Committee on procedure generally, or to request that statements made are repeated for reasons of clarity and so that they can be properly recorded.
- 8.3 The Licensing Officer to seek to clarify statements that have been made in light of information held on their file.

9 Failure of Parties to Attend Hearing

- 9.1 If a party has informed the Licensing Authority that it does not intend to attend or be represented at a Hearing, the Hearing may proceed in its absence.
- 9.2 If a party has not indicated that it does not intend to attend or be represented at a Hearing and fails to attend or be represented at the Hearing then the Licensing Authority may:
- 9.2.1 where it considers it be necessary in the public interest, adjourn the Hearing to a specified date; or
- 9.2.2 hold the Hearing in the party's absence.
- 9.3 Where the Licensing Authority holds a Hearing in the absence of a party, it shall consider at the Hearing the application, representations or notice made by that party.

10 Closing Submissions

- 10.1 The Chairperson shall allow first, the Responsible Authority/Authorities and any person/s who have made a Relevant Representation to make a closing oral submission(s) and secondly invite the Applicant or the Applicant's Representative an opportunity to make an oral closing submission in support of the Application.

11 Decision

- 11.1 The Committee, the Committee Lawyer and the Committee Manager, shall retire so that the decision may be considered in private, and to consider any legal issues raised by the Members.
- 11.2 The decision, and reasons for the decision, of the Committee shall be communicated orally by the Chairperson to the parties after the Committee has deliberated in private on the Application.
- 11.3 Written reasons shall be provided soon after the deliberations of the Application and in any event within the statutory time limits.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Date: 31 March 2019 21:15:18

Dear Hannah,

I object as a Resident of Durrington to this application on the grounds that the license is for 24 hours and 365 days a year which means that at times when no other licensed premise are open in Durrington and geographically wider within Wiltshire this Garage would provide an outlet for those who wish to purchase alcohol. We have a history of younger people driving and congregating within our community especially late at night and this Licence will bring the potential for Public Nuisance with Antisocial Behaviour it would be an ideal meeting point for younger people who would be driving. There is also Public Safety issues that would stem from having off sales 24/7. Common sense prescribes that there should be a restriction on the licencing hours that would bring it in line with the other local licensed off sales would be sensible and acceptable.

Regards

Cllr Graham Wright Working for Durrington and Larkhill today and every day.
