# Agenda Item 1

## Chairman's Announcements

<b>Subject:</b>	<b>Free Online Event – Homes of Our Own</b>
<b>Web contact:</b>	Link: <a href="#">Community-led housing in Wiltshire and Swindon Tickets, Thu 25 Feb 2021 at 12:00   Eventbrite</a>

Homes of Our Own is a newly formed Community Led Housing Hub, operated by Wiltshire Community Land Trust, Community First, Wiltshire Council and Swindon Borough Council.

Community Led Housing offers an opportunity for a community to take an active role in delivering the housing that is needed in their local community. Seend CLT recently submitted a planning application for 10 new affordable homes in Seend, which will be delivered through White Horse Housing.

Seend and White Horse Housing will be speaking at an event about their experience of working with Homes of Our Own to deliver the new homes. This event may be of particular interest to parish and town councils and details are included below.

Developing a Community Led Housing approach to meet the need within your community, enables much greater control over what housing is delivered and where.

Details of the event are here:  
[Housing Events | Homes of Our Own](#)

Link to register for the event is here:

## Chair's announcement

Our foster carers do an amazing job, making a massive difference to the life chances of some of Wiltshire's most vulnerable children and young people. Foster carers provide a safe and nurturing home for our children who have experienced abuse, trauma and loss.

We are currently seeking to recruit 100 new foster carers over three years so that our children can continue to live in their local communities, within Wiltshire. We started a campaign back in May 2020 at the start of Foster Care Fortnight to encourage more applications to foster. To date, we have successfully recruited 26 new fostering families towards our target. This is great news, but we still don't have enough to keep all our children in care within Wiltshire, especially for our teenagers.

With more Wiltshire Council foster carers, our children and young people can remain living locally, which means they are more readily able to remain in the same school, see friends and maintain relationships with their family.

We are sharing our message with each area board, with the hope you can encourage people to support and promote our recruitment campaign and highlight the importance of foster care in your local communities.

In all areas, we require more fostering families to look after our children in care. We know that some areas may need a significant increase whereas a few others may only need a few more. We would like our fostering service to get to the position where we are able to offer children a choice of foster carer to best suit their needs.

We especially need more foster carers who want to care for our teenagers and specialist carers, able to look after a parent and child and /or provide an emergency home at a time of crisis and/or look after children with complex medical needs and/or disabilities.

Louise, a 14 year old young person who lives in foster care, who has explained below how foster carers can help teenagers deal with the ups and downs of growing up.

"When I've been upset, they've cheered me up. They also help me understand my feelings and help me with my worries. They are also good fun too and don't take things too seriously. Children need foster carers who have lots of time. They listen to what I have to say and are interested in my thoughts. The three things I think are most important for foster carers are: listen to what I say, make me feel like I am a part of their family and get along with me in general."

To become a foster carer, people need to be over 21 years of age and have a spare bedroom. More details are available on the fostering website: [www.fosteringwiltshire.uk](http://www.fosteringwiltshire.uk)

Fostering payments vary depending on the skills and experience of the foster carer, starting at £350 per week per child up to a maximum of £1300 per week for a specialist parent and child carer providing an assessment.

People can find out more information by:

- Calling fostering on 0800 1696321
- Emailing [fostering@wiltshire.gov.uk](mailto:fostering@wiltshire.gov.uk)
- Visiting [www.fosteringwiltshire.uk](http://www.fosteringwiltshire.uk)
- Text 'Foster' to 60002

To have a discussion about how we can work together to recruit more foster carers in your local area, please contact Clare Goodspeed, the lead social worker for fostering recruitment by:

- Calling 01225 716510
- Emailing: [claregoodspeed@wiltshire.gov.uk](mailto:claregoodspeed@wiltshire.gov.uk)

39	<p><u>Police Update</u></p> <p>Inspector Dean Knight</p> <p>Points made included:</p> <ul style="list-style-type: none"> <li>• That a successful warrant executed resulting in seizure of controlled drugs and locating a vulnerable missing person from the London area</li> <li>• That local teams had been assisting the food Standards Agency with the execution of a warrant relating to food hygiene and meat preparation</li> <li>• That Covid patrols continued across the area with an emphasis on enforcement</li> <li>• That local teams were working with MDP in relation to 'off roaders'</li> <li>• On-going operations with the Rural Crime Unit in relation to hare coursing</li> </ul> <p>Points made from the floor:</p> <ul style="list-style-type: none"> <li>• Good work policing the vaccinating centre queues &amp; targeting hot hatches with no front number plates</li> </ul> <p>The Chairman thanked Inspector Knight for his update.</p>
40	<p><u>Fire &amp; Rescue Update</u></p> <p>Station Manager Dave Adamson</p> <p>Points made included:</p>

	<ul style="list-style-type: none"> <li>• That the Fire &amp; Rescue Service were running a project where unwanted laptops could be donated to local fire stations – which would then be given to children that needed them during the pandemic</li> <li>• On call recruitment – still looking for local people</li> <li>• The dangers of speeding during the lock down</li> <li>• That Fire fighters were driving ambulances and helping with the logistics of setting up more vaccination centres during the pandemic</li> </ul> <p>Points made by the Area Board:</p> <ul style="list-style-type: none"> <li>• That the Tidworth Area Board were happy to support the relaunch of the Salamander Courses for local young people.</li> </ul> <p>The Chairman thanked Dave Adamson for his update.</p>
41	<p><u>The Census 2021 for England and Wales in relation to Wiltshire</u></p> <p>Jonny Corbett – Census Engagement Manager – power point</p> <p>Points made included:</p> <ul style="list-style-type: none"> <li>• That the census was a survey that happened every 10 years and everyone took part.</li> <li>• That the Office of National Statistics was responsible for the census in England and Wales.</li> <li>• That the census was important because it gave the most detailed information we had about our society.</li> <li>• Scotland and Northern Ireland hold their own around the same time.</li> <li>• That the census provided information that government needed to shape policy, allocate resources, plan services and monitor equality</li> <li>• Any questions about our partnership activities with local authorities please email at <a href="mailto:2021Census.LA.liaison@ons.gov.uk">2021Census.LA.liaison@ons.gov.uk</a></li> </ul> <p>Bookmark the Census 2021 website: <a href="http://www.census.gov.uk">www.census.gov.uk</a></p> <p>Follow us on social Media <a href="https://twitter.com/Census2021">#Census2021</a></p> <p>The Chairman thanked Jonny Corbett for his presentation.</p>

### Understanding and supporting our local community

Richard Rogers – Community Engagement Manager presented a report that aimed to outline how the Tidworth Area Board and its partners could understand how to support local responses from communities, businesses and organisations and link this to the work of Wiltshire Council, its partners and agencies, so that issues could be tackled collaboratively including those arising from Covid-19.

Points made included:

- That the Tidworth community area had seen an incredible response to the COVID19 pandemic with volunteers leading the response and strategic partners working collaboratively to support our communities. Every person within the area had access to support from one of the many community groups that were set up, some of which were continuing to offer additional support
- As we now looked ahead, a document could be provided containing a summary of information that could be utilised to help inform the local community response. Bringing together the differing data and information sources from across the community area that would help us to understand the state of our community and the impact of COVID-19. It would also highlight communities that may have been disproportionately affected by the pandemic and it would consider how the actions, projects and plans that were emerging would be collated and supported
- Over time this document would be regularly updated in response to changes, new information and actions undertaken. Whilst the impact of COVID-19 was considerable, it was recognised that many of the issues identified in the report contained in the agenda pack were existing ones

#### **Decision**

- **That the report was accepted by the Tidworth Area Board at its meeting on the 25<sup>th</sup> January 2021**
- **Those who have not yet had an opportunity to contribute significantly would be invited to do so.**
- **That an Area Board work plan would be presented to the Area Board at the first opportunity following local elections in May 2021. This would highlight a maximum of 5 issues where the Area Board would like to focus its efforts and resources and where it feels it could make the greatest difference.**
- **The Community Engagement Manager would engage with partners and stakeholders so that they understood the report and could**

	<p><b>consider how they would play their part in responding to the issues raised</b></p> <ul style="list-style-type: none"> <li>• <b>That updates would be a standard item at future area board meetings</b></li> </ul> <p>It was also agreed to take the report to the recovery group for their input.</p> <p>The Chairman thanked Richard Rogers for his report.</p>
43	<p><u>Community Engagement Manager Update</u></p> <p>Richard Rogers – Community Engagement Manager gave a brief update</p> <p>Points made included:</p> <ul style="list-style-type: none"> <li>• Litter picks – none being carried out at the moment due to the Covid restrictions</li> <li>• Grant funding – that funds were still available for grant applications</li> <li>• Food banks – in discussions with Andover food bank, exploring what was best in the way forward for food banks in the local area. Want to publicise this more, with a meeting to be set up</li> </ul> <p>The Chairman thanked Richard Rogers for his update.</p>
44	<p><u>Thematic Group Updates</u></p> <p>Health &amp; Wellbeing Group –Humph Jones</p> <ul style="list-style-type: none"> <li>• That Brian Pratt had stood down as the group’s deputy</li> <li>• That two vaccination sessions had been held so far – both had gone very well</li> </ul> <p>Sports and Leisure Group – Ian Blair-Pilling</p> <ul style="list-style-type: none"> <li>• That the leisure centres were again closed due to the latest lockdown</li> <li>• That leisure centre staff were being redeployed</li> <li>• That the libraries were operating an order and collect service</li> </ul> <p>The Chairman thanked everybody for their updates.</p>

45	<p><u>Community Area Transport Group Update</u></p> <p>Cllr Mark Connolly presented the CATG report attached to the agenda, and asked the Area Board members to consider any recommendation arising from the last meeting Monday 11 January 2021 and to note the budget</p> <p><b>Agreed</b></p> <ul style="list-style-type: none"> <li>• <b>15-20-1- Enford – fund this now</b></li> <li>• <b>15-20-2 – Collingbourne Kingston request for speed limit – fund this now</b></li> <li>• <b>15 -20-04 Tidworth, Pennings Road request for pedestrian crossing assessment – fund in next financial year</b></li> </ul> <p><b>Decision</b></p> <ul style="list-style-type: none"> <li>• <b>That the Area board noted the report of the meeting dated Monday 11 January 2021 and agreed the recommendations</b></li> </ul> <p>The Chairman thanked Cllr Connolly for his report</p>
46	<p><u>Updates from Town and Parish Councils, the Army, NHS and other Partners</u></p> <p>Tidworth Town Council</p> <ul style="list-style-type: none"> <li>• That the council offices would be moving into the hub facilities at a future date</li> <li>• That the Tidworth play parks were open – with Town Council staff endeavouring to keep them covid safe</li> </ul> <p>Ludgershall Town Council</p> <ul style="list-style-type: none"> <li>• That the Memorial Hall would be made available for use as vaccination centre</li> </ul> <p>Everleigh PC – the written update was noted</p> <p>The Chairman thanked everybody for their updates.</p>

47	<p><u>Community Area Grants</u></p> <p><b>Decision</b>  <b>T2a awarded £384.03 for Young Person and Volunteer Craft Book</b></p> <p><b>Decision</b>  <b>Climate change funding - £8,965.98 awarded to Tidworth Town Council for electric charging points outside the civic centre</b></p>
48	<p><u>Date of Next Meeting</u></p> <p>Monday 1 March 2021.</p>
49	<p><u>Close</u></p>

## Update for Tidworth Area Board

<b>Update from</b>	<b>Wiltshire Police</b>
<b>Date of Area Board Meeting</b>	Monday 1 March 2021

### Headlines/Key Issues

- Crime down 17% (compared Jan 2020)
- 
- Burglary down 36% - 8 month all time low
- 
- COVID-19 - Due to regular patrols by Officers there have been very few FPN tickets issued. Officers have been very robust in dealing with repeat offenders, this message has spread to the wider public and has had a very positive effect.
- 
- Only 6 incidents of Anti-Social Behaviour reported to Police for December and January.
  - 2 areas of concern for drug use/dealing and these are Drummer Lane and Zouch Park. The Neighbourhood Policing Team are going to request streetlights be installed to attempt to alleviate the issue. A patrol strategy has been put in place.
  - Drug offences remains a priority for the Policing teams. Following numerous successful warrants at the end of 2020 and targeted patrols there has been reduced activity from individuals and some evidence it has been displaced out of county.

## DORSET & WILTSHIRE FIRE & RESCUE SERVICE

### WILTSHIRE AREA BOARD REPORT

#### Community Safety Plan

DWFRS Community Safety Plan can be found on the DWFRS website;

<http://www.dwfire.org.uk/community-safety-plan/>

#### Prevention

We are committed to making a real difference to the lives of people in Dorset and Wiltshire. Our aim is to reduce the level of risk and harm to our communities from fire, targeting those most at risk. We do this primarily through our Safe and Well visits.

A Safe and Well visit is **FREE** and normally lasts about one hour covering topics such as:

- Using electricity safely
- Cooking safely
- Making an escape plan
- What to do if there is a fire
- Keeping children safe
- Good practice – night time routine and other points relevant to you
- Identifying and discussing any further support the occupier may need

Are you or anyone you know: -

- Over the age of 65?
- Need a smoke detector?
- Have a long-term health condition?
- Suffer from poor hearing or sight loss?
- Would you struggle to escape in the event of a fire?

If you can answer yes to more than one of these questions, then please call us on 0800 038 2323 or visit <https://www.dwfire.org.uk/safety/safe-and-well-visits/>

DORSET & WILTSHIRE  
FIRE AND RESCUE

## Protection

On-going interaction by Protection Team members with Local Authorities, Private landlords and tenants regarding fire safety-related matters: external cladding systems; fire detection and warning systems; fire resisting doors (& self-closers); combustibility/fire resistance of construction materials; commercial and residential sprinklers systems and water-mist suppression systems

### General Enquiries

If you have a general fire safety enquiry regarding commercial property, please email [fire.safety@dwfire.org.uk](mailto:fire.safety@dwfire.org.uk) and the Fire Safety Team will respond in office hours.

### Fire Safety Complaint

If you wish to tell us about fire safety risks in commercial premises, such as locked or blocked fire exits, you have three options:

- You can email the fire safety department at [enforcement@dwfire.org.uk](mailto:enforcement@dwfire.org.uk)
- Call 01722 69 1717 during office hours (9am-5pm).
- Call our Service Control Centre on 0306 799 0019 out of office hours (5pm-9am)

## On Call Recruitment

Have you always wondered if you could join the fire service, but haven't had the opportunity to find out more? Have you found yourself seeking your next challenge, keen to give back to the local community or wanting to learn new skills including leadership and teamwork? Then becoming an on-call firefighter is for you.

As a paid position, on-call firefighters commit anywhere between 40 to 120 hours per week, during which time they must be able to respond to the station immediately.

Many have 'normal' jobs during the day, then upon their return home make themselves available overnight or during the weekends. Some of our crew respond from their workplaces during the day, and we are very grateful to their employers for releasing them to perform their vital duties.

Anyone over 18 years old can apply (although you can also apply once you are 17½) you must be able to respond and attend the fire station within 5-8 minutes, you have a good standard of physical fitness (i.e., you are generally active), and you must have the right to work in the UK.

Further information on becoming an On Call Firefighter can be found at [www.dwfire.org.uk/working-for-us/on-call-firefighters/](http://www.dwfire.org.uk/working-for-us/on-call-firefighters/) or should you have any questions, you can call **01722 691444**.

DORSET & WILTSHIRE  
FIRE AND RESCUE

## **Recent News & Events**

### **DWISE: Dorset and Wiltshire Inspirational Safety Education.**

The Dorset and Wiltshire Inspirational Safety Education (DWISE) programmes and resources are produced and delivered by the Education Team of Dorset and Wiltshire Fire and Rescue Service. During this period, we are providing resources for parents, carers and educators to use which will help children understand how they can help keep themselves safe and well. The resources are designed to support English, maths and art as well as providing safety information and using firefighters to inspire children to be fit and healthy.

For more information please visit: <https://www.dwfire.org.uk/education/parents-and-carers/>

### **Advice for people living with dementia**

Dementia is a National Health priority in the UK, as the number of people living with the condition continues to increase. Dementia is also a substantial factor in increasing the risk of injury or death from fire in the home.

Fire and Rescue Services across the UK are aware of the link between serious home fires and the elderly, especially those with mobility and memory loss health needs.

For further information please visit: <https://www.dwfire.org.uk/safety/advice-for-carers/advice-for-dementia-sufferers/>

## Boat safety

Boat safety is a priority in Dorset and Wiltshire, as hundreds of people live and work on our waterways, in addition to the thousands of visitors who come each year to enjoy a peaceful holiday in our seaside towns or aboard a narrowboat.

Our Safe and Well visits include people who live on boats – [click here](#) to request a visit.

### See also:

- The Fire Kills campaign has produced a handy leaflet on [Boat Safety](#)
- For further information about general boat fire and CO safety, visit [www.boatsafetyscheme.org/stay-safe](http://www.boatsafetyscheme.org/stay-safe)
- For broader safety advice, visit the Maritime & Coastguard Agency website [www.gov.uk/government/organisations/maritime-and-coastguard-agency](http://www.gov.uk/government/organisations/maritime-and-coastguard-agency) and the Royal National Lifeboat Institution [www.rnli.org](http://www.rnli.org)

## Winter safety

Keeping warm in the winter means using portable heaters, electric blankets or wheat bags – but all of these carry a fire risk.

Please visit our website for more information: <https://www.dwfire.org.uk/safety/safety-at-home/seasonal-advice/winter-safety/>

The Fire Kills campaign has produced a leaflet on [Fire Safety in the Winter](#). There is a wealth of good advice at [www.metoffice.gov.uk/barometer/advice](http://www.metoffice.gov.uk/barometer/advice)

## Health and Wellbeing Group Update

Vaccinations for our area go on apace at Tidworth Leisure Centre, being run by the Castle Practice who are doing an excellent job. The practice continue to offer medical appointments for residents (face-to-face where appropriate, with full COVID-Safe measures in place) being managed by their twice-daily triage system.

In Ludgershall, the pharmacy has been granted permission to do the vaccine jabs and they will be conducting vaccination sessions in the Memorial Hall, making things even more convenient for Ludgershall residents

## Funding Proposal

<b>What is the project name?</b>	Highways Improvements
<b>What is the project?</b>	<p>The Community Area transport group (CATG) is a sub group of the Area Board that looks at local improvements to our highways. Whilst they have a small budget, there are some schemes that need to be undertaken but there are insufficient funds available.</p> <p>It is proposed that two of these projects are undertaken by allocating some of the funding remaining within the Capital Grants fund. These are:</p> <p><b>Project 1 - Enford 20mph Speed Limit Implementation</b></p> <p>A request was made to the Tidworth Community Area Transport Group (CATG) by Enford Parish Council for the consideration to be given to a 20mph Speed Limit Assessment. This request was prioritised by the CATG in October 2020 and the assessment was completed in January 2021. The assessment analysed the survey data against the current DfT criteria and recommended to the Community Area Transport Group to implement a 20mph Speed Limit and associated infrastructure throughout the village. The outcome of the assessment is supported by the CATG and Enford Parish Council. Funding is now required to implement the findings.</p> <p><b>Project 2 - A338 Tidworth Pedestrian Crossing Investigation</b></p> <p>A request was made to the Tidworth Community Area Transport Group (CATG) by Tidworth Town Council for consideration to be given to an assessment of the existing pedestrian crossing provision on the A338 Pennings Road in the north of the town. The area has been subject to development in recent years which has included the provision of a new school and residential dwellings. This request has been considered by the CATG and prioritised. Due to the current restrictions on movement, and temporary closure of schools it hasn't been possible to complete within the current financial year, but it will be completed upon the relaxation of movement restrictions and children returning to school.</p>
<b>Who will benefit?</b>	<ul style="list-style-type: none"> <li>• The inhabitants of Enford will benefit from the implementation of the 20mph speed limit</li> <li>• Those</li> </ul>
<b>When will it take place?</b>	The work will take place during 2021/22 but depends upon Covid restrictions.

<p><b>What are the financial considerations?</b></p>	<p><b>Project 1 - Enford 20mph Speed Limit Implementation</b>  Total cost - £9,000.  Parish Council Contribution - £2,250 (25%)  Funding required from Area Board - £6,750</p> <p><b>Project 2 - A338 Tidworth Pedestrian Crossing Investigation</b>  Total cost - £2,500  Town Council Contribution - £625 (25%)  Funding requested from Area Board - £1,875</p> <p>Unallocated funding remains in the Capital grants pot to pay for these projects. Both can be considered as capital projects as they are part of a process to create a capital item</p>
<p><b>Recommendation</b></p>	<ol style="list-style-type: none"> <li>1. That Tidworth area board agrees to allocate £6,750 to implement the 20mph speed limit in Enford subject to Enford parish council paying the remainder</li> <li>2. That Tidworth area board agrees to allocate £1,875 to undertake the pedestrian crossing investigation subject to Tidworth Town Council paying the remainder</li> </ol>

## Staying well this winter

We've put together the following advice and information to help the people of Wiltshire stay safe and well this winter.

### Help stop the spread of Covid-19

This winter will be challenging for health and care services as the pandemic continues, so it's important for all of us to play our part in preventing the spread of Covid-19.

For the latest national information and guidance check out the Government website: [gov.uk/coronavirus](https://www.gov.uk/coronavirus)

Wiltshire Council also has a dedicated Covid-19 page which is updated regularly: [wiltshire.gov.uk/public-health-coronavirus](https://wiltshire.gov.uk/public-health-coronavirus)

BaNES, Swindon and Wiltshire Clinical Commissioning Group also provides regular updates, as well as a Q&A on the vaccination programme: [bswccg.nhs.uk/latest-covid-19-updates](https://bswccg.nhs.uk/latest-covid-19-updates)

### Keep warm and well

Keeping well will allow you to do more and keep your independence. Being cold isn't just uncomfortable it can be bad for your

health. Sitting or sleeping in a cold room isn't good for you and increases the risk of heart attacks, stroke and breathing problems. Check the weather forecast and be ready for cold weather.

Heating your home to at least 18C is particularly important if you have reduced mobility, are 65 and over, or have a health condition, such as heart or lung disease.

### Get your flu jab

This winter, the free flu vaccine will be offered to a record 30 million people to help protect as many as possible from flu and ease pressure on the NHS during the Covid-19 pandemic. Find out more [here](#).

### Look after your mental health

The pandemic has increased the mental health pressures on many people but lots of support and advice is available if you're worried about your own, or someone else's, mental health. [Read our guide](#) to looking after your wellbeing.

Visit our website for more information: [healthwatchwiltshire.co.uk/advice-and-information](https://healthwatchwiltshire.co.uk/advice-and-information)

## Share your experiences of services during Covid-19

Healthwatch Wiltshire is looking for feedback from people who have used health, care and community services during the Covid-19 pandemic.

Since March 2020, services have had to change the way they work to meet Covid-19 safety guidelines, while voluntary and community groups have stepped up their support to help local people.

We want to understand how these changes have been working for you, what's been good and what could be better. We'd also like to hear your experiences of getting the Covid-19 vaccine as the vaccination programme gathers pace across Wiltshire.

[Fill in our survey online](#) or call us on 01225 434218 to complete over the phone or request a paper copy.

## ***Update for Tidworth Area Board***

<b>Name of Parish/Town Council</b>	<b>Collingbourne Kingston Parish Council</b>
<b>Date of Area Board Meeting</b>	1 <sup>st</sup> March 2021

### **Headlines/Key Successes**

- Following a lengthy process, improvements to the roundabout on the A338 at the junction with Brunton have been implemented. The initial bollards installed were soon demolished by passing northbound traffic and so more substantial bollards have been since installed. This still seems not to be sufficient to slow the traffic to the 30 mph limit and consideration is being given to raising the roundabout rather than the painted on one that exists at present.
- SIDs have been deployed on road side poles at the junctions with the A338 at Aughton and Mill Drove. These act as a visible encouragement to motorists in both directions to watch their speed. From observations it is obvious that these alone are not enough with motorists having recorded 57mph within the 30mph zone. Consideration is being given to SIDs which record speed data which can be used by police to petition for extra road safety measures.
- Village Gates have been installed at the northern and southern bounds of the village again to denote to motorists the boundaries of the village and the speed limits.
- Extensive work has been done to refurbish the numerous bench seats around the village and two surrounding hamlets. As part of this a comprehensive assessment has been made of the state of the various footpaths and rights of way as regards to signage and general accessibility.

### **Projects**

- The village playground has been closed since last March due to the Covid-19 situation. During last year repairs were made to some of the equipment and we intend to reopen it this Spring and are currently looking at the control measures necessary to achieve this.

### **Forthcoming events/Diary dates**

- Consideration is being given to organising a village fete, along the lines of the very successful fete of 2018, but clearly, this event is subject to the prevailing Covid-19 situation.

Signed: **Philip PALMER, Clerk to Collingbourne Kingston Parish Council**

Date: 16<sup>th</sup> February 2021

## Update for Tidworth Area Board

<b>Name of Parish/Town Council</b>	<b>Everleigh Parish Council</b>
<b>Date of Area Board Meeting</b>	1 <sup>st</sup> March 2021

### Headlines/Key Successes

- Wilts Council have agreed speed limit changes on Marlborough Road (MR) in Everleigh as follows: MR South: From the A342 up to and including Coombe Cottages – Reduce to 40 mph; MR North: From Coombe Cottages northwards – remains 50mph, and extend this zone to the KK tank crossing.

Wilts Council have approved Traffic Regulation Orders and have issued a works order to implement change. We are hopeful for implementation in the Spring.

### Projects

- The enhancement of Everleigh Centre, opposite The Crown bus shelter, is currently our main focus. Roses have been planted and a bench is planned.
- The village playground has been closed since last March due to the Covid-19 situation. We intend to reopen it this Spring and are currently looking at the control measures necessary to achieve this.
- Right of Way (RoW) 6 is a route running south west from the village playground on to the Plain. It is a restricted byeway and as such it may be used as a footpath and a bridleway. At this time of year the track becomes very muddy and consequently we are examining options to improve the situation, in conjunction with the Wilts Council RoW officer who visited the site on Tuesday 9<sup>th</sup> February.

### Forthcoming events/Diary dates

- On Sunday morning, 16<sup>th</sup> May, we intend to walk the parish boundary to commemorate the ancient ceremony of *Beating the Bounds of Everleigh Parish*. This is an 8 mile hike and is an enjoyable way to promote both community spirit and fitness. Clearly, this event is subject to the prevailing Covid-19 situation.

Signed: **DENIS BOTTOMLEY, Chairman Everleigh Parish Council**

Date: 9<sup>th</sup> February 2021

<b>Report to</b>	Tidworth Area Board
<b>Date of Meeting</b>	01/03/2021
<b>Title of Report</b>	Community Area Grant funding

**Purpose of the report:**

To consider the applications for funding listed below

<b>Applicant</b>	<b>Amount requested</b>
<b>Applicant:</b> Tedworth Equestrian <b>Project Title:</b> Tedworth Park Pavilion Cafe Kitchen  <a href="#">View full application</a>	£7740.00
<b>Applicant:</b> Tedworth Equestrian <b>Project Title:</b> Tedworth Equestrian Community Facility Roof  <a href="#">View full application</a>	£5000.00
<b>Applicant:</b> Tidworth Town Council <b>Project Title:</b> Shepperd Street Pay Park  <a href="#">View full application</a>	£5000.00
<b>Applicant:</b> LUDGERSHALL TOWN COUNCIL <b>Project Title:</b> Ludgershall Town Council and Community Meeting Equipment  <a href="#">View full application</a>	£5000.00

**1. Background**

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

**2. Main Considerations**

2.1. Councillors will need to be satisfied that funding awarded in the 2020/2021 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

### **3. Environmental & Community Implications**

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

### **4. Financial Implications**

Financial provision had been made to cover this expenditure.

### **5. Legal Implications**

There are no specific legal implications related to this report.

### **6. Human Resources Implications**

There are no specific human resources implications related to this report.

### **7. Equality and Inclusion Implications**

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

### **8. Safeguarding Implications**

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

### **9. Applications for consideration**

<b>Application ID</b>	<b>Applicant</b>	<b>Project Proposal</b>	<b>Requested</b>
<a href="#">3994</a>	Tedworth Equestrian	Tedworth Park Pavilion Cafe Kitchen	£7740.00

#### **Project Description:**

We want to develop a community hub and cafe in the Pavilion by the Heritage Trail in Tedworth Park. We will do this in 2 Phases. Phase 1 will deliver an immediate takeaway facility COVID safety compliant. As restrictions lift this will be a small cafe offering a simple menu with seating indoors and outside. We can fund 50 of Phase 1 costs of Phase 1 and seek Area Board match funding for the remaining 50. Phase 2 will be the major construction of a new kitchen toilets and shop/information hub. We are confident we will find Phase 2 funding in the region of 100000 in the next three years. This is not part of this bid. During these last difficult months many more people in Tidworth have turned to the Park for exercise and asked why there is no meeting place there. The Pavilion cafe will meet their

immediate and future needs.

**Input from Community Engagement Manager:**

- The normal maximum award is £5k but councillors can award more if they feel the project has sufficient community benefit
- The application meets the criteria

**Proposal**

That the Area Board determines the application.

Application ID	Applicant	Project Proposal	Requested
<a href="#">4066</a>	Tedworth Equestrian	Tedworth Equestrian Community Facility Roof	£5000.00

**Project Description:**

The roof of the Tidworth Equestrian Riding Centre Toilet and Workshop Block is unsafe. We urgently need to replace it in order then to complete Phase 1 works to make toilets safe prior to the conversion of the block into a classroom facility as Phase 2. Currently students are having to use temporary portaloos which is far from ideal for disabled riders as well as the many other members of the community who use our facilities. We seek funding from the Area Board for nearly 50 of the costs to replace the roof and gutters.

**Input from Community Engagement Manager:**

The project meets the grants criteria

**Proposal**

That the Area Board determines the application.

Application ID	Applicant	Project Proposal	Requested
<a href="#">4146</a>	Tidworth Town Council	Shepperd Street Pay Park	£5000.00

**Project Description:**

Provide inclusive play equipment.

**Input from Community Engagement Manager:**

- Town Councils can apply for projects that are deemed to be beyond what they would normally be expected to provide and precept for
- The application meets the criteria

**Proposal**

That the Area Board determines the application.

<b>Application ID</b>	<b>Applicant</b>	<b>Project Proposal</b>	<b>Requested</b>
<a href="#">4152</a>	LUDGERSHALL TOWN COUNCIL	Ludgershall Town Council and Community Meeting Equipment	£5000.00
<p><b>Project Description:</b> Wireless conference systems for use at Council Meetings and other community events.</p> <p><b>Input from Community Engagement Manager:)</b></p> <ul style="list-style-type: none"> <li>• Town Councils can apply for projects that are deemed to be beyond what they would normally be expected to provide and precept for</li> <li>• The application meets the criteria</li> </ul>			
<p><b>Proposal</b> That the Area Board determines the application.</p>

**Report Author:**

Richard Rogers

Community Engagement Manager

[Richard.rogers@wiltshire.gov.uk](mailto:Richard.rogers@wiltshire.gov.uk)

Report to	Tidworth
Date of Meeting	01/03/2021
Title of Report	Community Youth Grants

### 1. Purpose of the report:

To ask Councillors to consider the following applications seeking funding from the Tidworth Area Board.

Application	Grant Amount	
<b>Applicant:</b> Tidworth <b>Project Title:</b> Ludgershall Boys and Youth Centre	£900.00	
<b>Applicant:</b> T2a <b>Project Title:</b> Easter activity packs	£1000.00	
<b>Applicant:</b> Army Welfare Service - Community Support <b>Project Title:</b> Youth Community Pop Up Events	£9520.00	
<b>Total grant amount requested at this meeting</b>	£11420	

### 2. Main Considerations

Councillors will need to be satisfied that grants awarded in the 2020/21 year are made to projects that can realistically proceed within a year of the award being made.

Area Boards have authority to approve Area Grants under powers delegated to them by the Cabinet member for Communities, Campuses, Area Boards, Leisure, Libraries and Flooding. Under the Scheme of Delegation Area Boards must adhere to the Area Board Grants Guidance 2020/2021.

Community Youth Grants will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent and specifics of which will be dependent upon the individual project.

Community Youth Grants give all local community and voluntary groups, Town and Parish Councils an equal opportunity to receive funding towards community based projects and schemes.

### 3. The applications

<p><b>Applicant:</b> Tidworth  <b>Project Title:</b> Ludgershall Boys and Youth Centre</p>	<p>Amount Requested from Area Board:  £900.00</p>	
<p>This application meets grant criteria 2020/21</p> <p><b>Project Summary:</b> The creation of two storage rooms within the perimeters of the building. to make two safe storage rooms for separate youth group equipment. The partitioning construction will meet with both building and fire regulations. The building consists of one rectangular room with no secure storage rooms.</p>		
<p><b>Applicant:</b> T2a  <b>Project Title:</b> Easter activity packs</p>	<p>Amount Requested from Area Board:  £1000.00</p>	
<p>This application meets grant criteria 2020/21.</p> <p><b>Project Summary:</b> As a result of the covid-19 pandemic the Army Welfare Service Community Support Team welfare teams are currently unable to deliver services face-to-face. This project will help support all local families over the Easter period by providing activity packs to families living in Tidworth. The packs aim to help keep families entertained during the Easter holiday period and are aimed at families with children and young people aged 8-17.</p>		
<p><b>Applicant:</b> Army Welfare Service - Community Support  <b>Project Title:</b> Youth Community Pop Up Events</p>	<p>Amount Requested from Area Board:  £9520.00</p>	
<p>This application meets grant criteria 2020/21.</p> <p><b>Project Summary:</b> Tidworth Garrison Army Welfare Service would like to run Community Pop Up events across the Summer in different locations across the Tidworth area. These events will be outdoor mini festivals each week across the summer in high profile locations engaging the local civilian and military communities with childrens activities family fun and youth projects. We plan to have craft activities Punch and Judy bubbles BBQ outdoor games Face painting storytelling music etc silent disco sport demos youth drop in and engagement sessions partnering with other organisations to support young people with low level mental health and personal support</p>		

needs. We will use MOD and Council land to run the events. This will be agreed and Risk Assessed prior to events being planned.

Richard Rogers, Tidworth Area Board  
Richard.rogers@wiltshire.gov.uk

**Tidworth Area Board - Funding Proposal**

**March 1<sup>st</sup> 2021**

<b>What is the project name?</b>	Rural Youth Project
<b>What is the project?</b>	<p>The Area Boards in the Warminster, Amesbury, Pewsey, Tidworth, Southern Wiltshire and South West Wiltshire community areas have identified a need to increase engagement with young people in their areas, particularly in more rural areas. We are seeking a provider who will work across several community areas to develop a stronger offer of positive activities and other services aimed especially at those who are potentially at risk.</p> <p>The term of the project is initially for 12 months but may be extended later</p> <p>It is envisaged that the project deliverer will need an initial period of 4 months of consultation and research to ensure that the programme compliments and strengthens what already exists, addresses need, has local ownership and will make a difference.</p> <p>Following this research phase, the selected provider, working alongside local partners, clubs and organisations would be required to design and deliver a programme of activities in each community area. An initial research period of 4 months means that this activities phase will last 8 months.</p> <p>Consideration would need to be given to the fact that in a rural county such as Wiltshire, isolation and poor mental health can be hidden amongst certain vulnerable groups of young people. Some evidence of local need, addressing gaps and making a difference would be required.</p> <p>At the end of the first year a full report on the outcomes from the project will be required before Area Boards consider additional funding to continue the project for a further period of 12 months.</p> <p>Desired outcomes from the project are:</p> <ul style="list-style-type: none"> <li>• Improved level of engagement with young people in the community areas, particularly with isolated young people in rural areas</li> <li>• Increase in positive activities available</li> <li>• Reduced isolation of young people in rural areas</li> <li>• Identification of young people with issues around mental health, educational attainment and physical health issues</li> <li>• Evidenced improvement in the above areas for those individuals identified</li> <li>• Evidence that the needs of minority groups have been addressed</li> </ul> <p>A sustainable model has been developed in collaboration with key local partners and stakeholders</p>

<b>Who will benefit?</b>	All young people within the community area and particularly those who are not already accessing positive activities
<b>When will it take place?</b>	We hope that the project will start within weeks and run for a year initially
<b>What are the financial considerations?</b>	<p>6 community areas are jointly funding this project. Some including Tidworth set aside some remaining youth funding from 2019/20 to use for this project. However mainly due to the pandemic, we have not been able to start.</p> <p>Normally no funding that is accrued can be carried over to the following financial year which in this case starts in April 2021. Due to the circumstances we have requested special dispensation, but this is not guaranteed.</p> <p>The Area Board has £5,647.97 remaining that is unallocated and will be returned to Wiltshire Council. It is proposed that this funding is allocated to this project which will both ensure that it remains to be spent within the Tidworth Community Area and that if the previous funding has to be returned, we can still continue with the project.</p>
<b>Recommendation</b>	That the area board agrees to allocate the remaining Youth Budget to the Rural Youth project

Tidworth Area Board – March 1<sup>st</sup> 2021

Funding Proposal

<b>What is the project name?</b>	Social Prescribing and older person support
<b>What is the project?</b>	<p>The funding will be used to help support the social prescribing work and support of older people within the community area.</p> <p>Working closely with the surgery and the health and wellbeing group as well as other partners, some of the activities that are being proposed include:</p> <ul style="list-style-type: none"> <li>• Artilift course</li> <li>• Cooking for older people</li> <li>• Gardening and allotment t help with mental health</li> <li>• Older person’s event</li> <li>• Creative work with those living with dementia</li> <li>• Social prescribing work</li> </ul>
<b>Who will benefit?</b>	<ul style="list-style-type: none"> <li>• The activities are aimed at vulnerable adults and older people in the area</li> <li>• Public services such as the surgery and adult social care will benefit by early intervention and appropriate support given to potential customers</li> </ul>
<b>When will it take place?</b>	The work will take place during 2021/22 but depends upon Covid restrictions.
<b>What are the financial considerations?</b>	<p>The funding allocated to address health and wellbeing amongst older people has not been spent due to the lockdown restrictions. We know that demand for these activities is increasing. Mental health has been identified as the top local priority along with loneliness and isolation.</p> <p>Once the COVID restrictions are eased, we will want to start addressing these issues and running activities such as those described earlier. Conversations have been had with partners such as Creative Wiltshire to run activities in the summer. Funding is required to hold these, and it is requested that the remaining £7.5k is allocated to enable this to occur.</p>
<b>Recommendation</b>	That the area board agrees to allocate the remaining health and wellbeing funding to this project

Funding Proposal

<p><b>What is the project name?</b></p>	<p>Lower Everleigh Drainage</p>
<p><b>What is the project?</b></p>	<p>The suggestion is to install a few deflectors on the track to push the flows off the track and onto the scrub land that we are informed is already wet</p> <p>The deflectors would need to be made of concrete and 100mm high and set in around 300mm below the ground level. We would start with 3 towards the end of the track as below as this would give the greatest benefit.</p> <p>The grips would need to be formalised at the end of the deflectors, to take the water off into the field across the verge, concrete so they would be easier to clean. The plan below is standard highway construction, however there would not need the reinforcing. Max construction depth around 200mm</p> <p>All of the works can be done with a mini digger and hope that any arisings can be used to fill potholes/depressions in the track</p> <div data-bbox="523 1093 1273 1489" data-label="Diagram"> </div>
<p><b>Who will benefit?</b></p>	<p>The inhabitants of Everleigh and those using the track</p>
<p><b>When will it take place?</b></p>	<p>The work will take place during 2021/22 but depends upon Covid restrictions.</p>
<p><b>What are the financial considerations?</b></p>	<p>The total cost of the work should be a maximum of £4,000</p> <p>As with CATG projects, it is proposed that Everleigh Parish Council are asked to contribute 25% of the costs (@£1k)</p>

	Unallocated funding remains in the Capital grants pot to help contribute towards this project.
<b>Recommendation</b>	Tidworth Area Board allocates £3,000 towards the Lower Everleigh drainage project subject to the Parish Council paying for the remaining 25% of the costs
