3 Key Principles

- 3.1 The principles of ‘natural justice’, and Article 6 ‘Right to a Fair Trial’, which is one of the Convention Rights in the Human Rights Act 1998, require that there is a fair Hearing of Applications.
- 3.2 Natural justice is an umbrella term for the legal standards of basic fairness. This will include that:
 - 3.2.1 the Applicant has an opportunity to make representations before a decision is made;
 - 3.2.2 those making representations have an opportunity to voice their representations before a decision is made;
 - 3.2.3 the Applicant has an adequate opportunity to consider and respond to any submissions made by a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation;
 - 3.2.4 the Committee does not exclude an Applicant from a Hearing in order to consider submissions from a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation.
- 3.3 It is also fundamental that there is an orderly presentation of submissions at a Hearing so that the relevant issues are properly understood, evidence is tested and that oral statements made at the Hearing are accurately recorded.

- 3.4 Ultimately the Chairperson determines the application of these rules, having regard to any submissions being made by those present and in particular the Committee Lawyer.

4 The Hearing

- 4.1 The Hearing shall take place in public.

4.1.1 The Committee may exclude the public from all or part of the Hearing where it considers it to be in the public interest to do so and, in accordance with the Local Government (Access to Information) Act 1985, as amended. Public includes a party and any person assisting or representing a party.

4.1.2 The Committee may require any person attending the Hearing who, in its opinion, is behaving in a disruptive manner, to leave the Hearing and may:

- A refuse to permit them to return;
- B permit them to return only on such conditions as the Committee may specify;
- C in the event that a person is required to leave a Hearing that person may, before the end of the Hearing, submit to the Committee in writing any information which they would have given orally.

4.2 Prior to the Hearing commencing, the Chairperson shall advise the parties of the procedure it proposes to follow at the Hearing.

4.3 Where a party has previously requested permission for a person(s), other than their representative, to appear at the Hearing then the Committee shall consider whether to permit that request.

4.4 The Committee will allow the parties an equal maximum period of time in which to exercise their rights.

4.5 This equal maximum time may have been notified in advance of the Hearing;

4.6 Where there are a number of people who have attended the Hearing to make the same representation then the Committee would normally require that a spokesperson be appointed by them to make the representations on behalf of all of those who have made Relevant Representations .

5 Presentation of Submissions

5.1 The Chairperson will introduce the Application.

5.2 In the event that the Licensing Authority has given notice to a party requiring clarification on a point(s) then that party shall respond to the points raised by the Licensing Authority.

5.3 Submissions shall be made in the following order unless the Chairperson directs otherwise:

- 5.3.1 The Licensing Officer will orally present the Committee Report and will in particular advise the Committee as to:
- A the options available to it;
 - B the considerations that are relevant in reaching its decision.
- 5.3.2 The Applicant (or the Applicant's Representative) will orally present its submission which may include:
- A presenting their case in accordance with the papers, which will have been circulated with Agenda papers;
 - B confirming key information and answer pertinent questions; and
 - C calling witnesses in support of the Application (see paragraph 4.3).
- 5.3.3 A Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation will orally present their representations in turn which shall include:
- A the grounds of the representation to the Application; and
 - B any condition(s) that the Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation would be happy to have the Application granted subject to which would cause the representation to be withdrawn.

6 Questioning of Submissions

- 6.1 The Chairperson will regulate the order in which questions are asked by Members.
- 6.2 The Chairperson and Members, voiced through the Chairperson, may question any party following the completion of their submission.
- 6.3 The Chairperson will normally permit the Applicant, a Responsible Authority/Authorities or any person/s who have made a Relevant Representation to ask questions through them of the other parties.
- 6.4 The Chairperson may direct that questions which are not relevant to the Application or one of the four Licensing Objectives are not formally put or answered.

7 Documentation

- 7.1 No party shall present new documentation to the Committee at the Hearing other than with the consent of all of the other parties. This does not preclude the Licensing Officer from correcting errors, providing updated information or an extract from a local map showing the Applicant's Premises in the context of the surrounding premises and any person/s who have made a Relevant Representation . If any party is granted permission to present supplementary papers at the Hearing they shall provide at least 10 copies at the start of their submission.

8 Intervention

The Chairperson shall permit the following interventions at any point in the Hearing:

- 8.1 The Committee Lawyer to advise the Committee on issues of law, procedure and relevant considerations on decision making. If necessary, the Chairperson may require the Committee, the Committee Lawyer and the Committee Manager to leave the Hearing so that advice can be given.
- 8.2 The Committee Manager to advise the Committee on procedure generally, or to request that statements made are repeated for reasons of clarity and so that they can be properly recorded.
- 8.3 The Licensing Officer to seek to clarify statements that have been made in light of information held on their file.

9 Failure of Parties to Attend Hearing

- 9.1 If a party has informed the Licensing Authority that it does not intend to attend or be represented at a Hearing, the Hearing may proceed in its absence.
- 9.2 If a party has not indicated that it does not intend to attend or be represented at a Hearing and fails to attend or be represented at the Hearing then the Licensing Authority may:
 - 9.2.1 where it considers it be necessary in the public interest, adjourn the Hearing to a specified date; or
 - 9.2.2 hold the Hearing in the party's absence.
- 9.3 Where the Licensing Authority holds a Hearing in the absence of a party, it shall consider at the Hearing the application, representations or notice made by that party.

10 Closing Submissions

- 10.1 The Chairperson shall allow first, the Responsible Authority/Authorities and any person/s who have made a Relevant Representation to make a closing oral submission(s) and secondly invite the Applicant or the Applicant's Representative an opportunity to make an oral closing submission in support of the Application.

11 Decision

- 11.1 The Committee, the Committee Lawyer and the Committee Manager, shall retire so that the decision may be considered in private, and to consider any legal issues raised by the Members.
- 11.2 The decision, and brief reasons for the decision, of the Committee shall be communicated orally by the Chairperson to the parties after the Committee has deliberated in private on the Application.
- 11.3 Written reasons shall be provided soon after the deliberations of the Application and in any event within the statutory time limits.

The licence holder is open to discussions around proportionate conditions during the consultation period and welcomes contact with authorities.

b) The prevention of crime and disorder

All staff responsible for selling alcohol shall receive regular training in the Licensing Act 2003 in terms of the licensing objectives, offences committed under the Act and conditions of the Premises Licence. Written records of staff training in the Licensing Act 2003 shall be retained and made available to police and authorised officers of the Licensing Authority on request. Staff shall receive refresher training in the Licensing Act 2003 at intervals of no more than 6 months. Signed and dated records shall be kept of all staff training and such records kept available for inspection at the premises for a period of at least one calendar year from the last date of entry.

- (i) any other relevant incidents to be recorded.

e) The protection of children from harm

A "Challenge 25" age verification policy shall be operated at the Premises during the permitted hours for the sale of alcohol and staff shall be trained in respect of the policy. Staff shall ask for proof of age from anyone they suspect of being less than 25 years of age. The only acceptable forms of identification shall be a photo style driving licence, a passport, a photo identification card bearing the PASS logo in a hologram format, military ID or recognised national photographic identity cards from member countries of the European Union.

Posters shall be displayed in prominent positions around the premises advising customers of the Challenge 25 policy in force at the premises.

A record shall be maintained recording every occasion when the sale of alcohol has been refused. The record shall;

- a) give the date and time of the occasion; a brief description of the customer and the name of the member of staff who refused to sell the alcohol.

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:

- (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
- (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Subject: RE: Licensing application received - Krumbz Cafe, Kennet Place, Marlborough, SN8 1NG

Hello Lisa,

This licence application was considered at Marlborough Town Council's Planning Committee yesterday. The Committee resolved to not support this application on the grounds of neighbour amenity, potential noise in what is essentially a quiet residential location, proximity to the river and Coopers Meadow Park (concern at off sale might encourage alcohol consumption in the parks proximity).

This decision was made noting and accounting for the amended conditions as per your email 22/5/23.

Regards/thanks, Richard

Hello Lisa,

Krumbz cafe is located on a corner of a small residential road, overlooking the river, with the 'Town Mill' (a conurbation of residential maisonettes, most of which are retirement dwellings) on the other side. The layout of Kennet Place is such that should increase noise be an issue (due to the use of alcohol) it would carry around the immediate vicinity, impacting on the residential experience of both residents of Kennet Place and also Town Mill, and both changing and effecting the nature of the residential experience.

The Council felt having a licenced premises in this location would be moving the parameters of this activity wider and away from where licenced premises currently sit in the town.

Regards/thanks, Richard
