

Wiltshire Council

Cabinet

15 March 2016

Question from Cllr Ernie Clark

To the Baroness Jane Scott of Bybrook OBE, Leader of the Council

Were you one of the 102 Conservative council leaders who contacted Brandon Lewis claiming that you were 'best placed to make decisions about Sunday trading' and calling on the government 'to put its trust into councils'? If you were, what mandate did you have for doing so from the elected members of this council?
