

Hello Hannah,

In the light of the email below; where the applicant has agreed to my amended and enhanced Door Supervisor Condition and the two further conditions for Risk Assessments linked to the Management Procedures and Practices and additionally, the agreement to searches as a Condition of entry, I am writing to confirm that Wiltshire Police have no Objections to this application for a new Premise Licence.

Regards

Sue

Hi Sue

Thanks for your time yesterday and for summarising our discussion. I am fully supportive of your conditions, including the additional one around searches. We also intend to purchase a machine similar to The Chapel where we conduct 100% ID checks Thu-Sat.

I agree fully with your email.

Best wishes  
Nathan

Hello Nathan,

Please accept my apologies for the delay in emailing you following our conversation yesterday afternoon.

As discussed, as the Wiltshire Police Licensing Officer, I do have some reservations in relation to your application for a New Premises Licence for the Venue located at 18, High Street, Amesbury. These largely relate to the provision of Door Supervisors, together with an identified process to evaluate

the correct security provisions for Events held at the venue, in particular but not exclusively, those extending beyond midnight and those exclusively for under 18's.

During our discussion I proposed an amendment and extension of the provision of Door Supervisors, as follows;

- A minimum of four Door Supervisors will be provided from 22:00hrs on Thursdays, Fridays and Saturdays, until 30 minutes after close, to ensure the quiet dispersal of patrons, from the area.
- For all other events that exceed midnight or are events exclusively for under 18's, the Premises Licence Holder shall ensure that clear risk assessments and management procedures and practices are prepared and maintained to the satisfaction of Wiltshire Police and Wiltshire Council and made available upon request or attendance. The Risk Assessment will determine the minimum number of Door Staff to be deployed together with ensuring the correct levels of deployment to ensure compliance with the upper age limits.

I would ask that you consider an additional Condition that may assist you in your ongoing negotiations;

- As a condition of entry, after 22:00hrs on Thursdays, Fridays and Saturdays or when an event is likely to impact the premise, all customers must be willing to submit to a search. All persons entering or re-entering the premises shall be searched by an SIA trained member of staff and monitored by the premises CCTV system.

As the Consultation deadline is the 24<sup>th</sup> January, I would be grateful if you would email confirmation of your acceptance of the above Conditions, to enable me to advise Wiltshire Council that Wiltshire Police have no Objections to your application for a new Premise Licence.

I have also attached a set of Conditions, which contain the usual wording for the standard Conditions attached to a new Premise Licence. They include those Conditions which you have offered in your application, together with those we have discussed.

Thanking you in anticipation of your prompt response.
