3111	T2a	Positive learning activities for young people and families	£4000.00
Project Description: The October Family Learning Festival 2018 was totally successful with more young people attending the activities. The planning organising booking and delivery of activities was a huge job for a few key people and we need much more help for the 2019 event. We have an untapped resource in our young people who could have the opportunity to learn many life skills in helping us and have a voice in what they would like in the festival. We could work with established youth groups to enable their own sessions invite families to engage in the activities as part of the festival.
