18 **Part 10: Procurement and Contract Regulations**

The Focus Group received details of proposed changes to Part 10 of the Constitution, correcting out of date information and seeking to simplify and clarify the processes for procurement within the Council alongside work to improve the existing procurement manual for officers.

Details were sought on the level of responsibility the wording placed on the Head of Procurement rather than the defunct Procurement Board, how procurement and other risks were being identified, reported and actioned between the procurement team and the services and the existing rules in relation to extraordinary exemptions. In particular it was requested that additional drafting be considered if necessary to ensure processes in relation to extraordinary exemption were sufficient.

**Resolved:**

**Taking account of the comments made at the meeting, that the Standards Committee recommend Council approve the proposed changes.**
