

TIDWORTH AREA BOARD REPORT MAY 15th, 2019

Safe & Well visits

The Fire Service continue to offer Safe & Well visits to residents and if you or someone you know is in need a working smoke alarm to be fitted or needs some fire safety advice in the home or are just worried about what to do in an emergency then you can contact us at; <http://www.dwfire.org.uk/safety/safe-and-well-visits/>

We will arrange for one of our trained advisors or fire crews to pop round and discuss your requirements and needs, give you some top tips for fire safety within the home and if you meet our criteria for free smoke alarm installation we will also do that during the visit.

Ludgershall Fire Station have a proactive Facebook account and I would encourage everyone to follow the station by searching for Ludgershall Fire Station on Facebook. The page is updated to show incidents the station has attended, training sessions and community events where crews will be attending.

For more information on Thatch fire safety visit:

<http://www.dwfire.org.uk/wp-content/uploads/2018/05/DWFire-Thatched-Living.pdf>

Test your smoke alarm – we are running a #Testit Tuesday campaign to remind people to check their smoke alarms every Tuesday. It takes seconds to push the button and make sure this vital piece of kit is working.

Response

Total Emergency Calls for Ludgershall Fire station; 02/03/2019 – 01/05/2019

Category	Callsign	Total Incidents
False Alarm	36P1	0
Fire	36P1	4
Other	36P1	0
Special Service	36P1	4
4x4	36M2	0
Total		8

The reduced figures during the day are attributed to possible course attendance as part of a Firefighters requirement to maintain competence, personnel taking annual leave or due to fulltime work commitments where individuals work outside of the town and cannot supply us cover.

On-Call Recruitment

As the Availability table shows, crewing of your appliances falls below our ideal expectations of 100%. We continue to strive and improve on the number of personnel at each station through our recruitment process, so we can increase the number of hours our appliances are available for call outs.

The local appliances are only available to attend calls due to the commitment given by those who live and work within your community.

If you can give some of your time or know someone who may be interested in joining our 'On-call' teams then why not pop into one of the stations on a Monday evening between 7pm and 9pm. Crews are not volunteers but are paid a salary to train and respond to emergency calls. Check out our website: www.dwfire.org.uk for more information or contact us on our recruitment hotline: 01722 691444
