## 2. Main Considerations

Councillors will need to be satisfied that grants awarded in the 2019/20 year are made to projects that can realistically proceed within a year of the award being made.

Area Boards have authority to approve Area Grants under powers delegated to them by the Cabinet member for Communities, Campuses, Area Boards, Leisure, Libraries and Flooding. Under the Scheme of Delegation Area Boards must adhere to the Area Board Grants Guidance 2014/2015.

Community Youth Grants will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent and specifics of which will be dependent upon the individual project.

Community Youth Grants give all local community and voluntary groups, Town and Parish Councils an equal opportunity to receive funding towards community based projects and schemes.

<p>This application meets grant criteria 2014/15.</p> <p><b>Project Summary:</b> Collingbourne Cricket Club runs squads for Boys and Girls from 7 to 15 years old. We try to provide as much equipment to these players as possible as these age groups are big for growth periods and we feel everyone should be able to play the game no matter their finances as cricket equipment can be very expensive. A lot of our current equipment is aging and becoming dangerous, so we wish to improve the equipment and purchase new coaching equipment to improve the experience for young people playing cricket at Collingbourne CC.</p> <p><b>Please tell us WHO will benefit and HOW they will benefit from your project and benefit your local community:</b> *PLACE HOLDER*</p>
