Subject:	Wiltshire Green Pledge

Earlier this year Wiltshire Council pledged to be carbon neutral by 2030, and its councillors have agreed to seek to make the county of Wiltshire carbon neutral by 2030.

To help with this, The Green Pledge has been launched which is asking people to commit to making small changes that can have a big positive impact on the environment.

Such pledges could include:

- Leave the car at home and walk more
- Take shorter showers and turn off taps when brushing teeth
- Use a reusable cup
- Turn off lights when not using them

We want everyone to have a think about the changes they can make, starting today.

People should visit <http://www.wiltshire.gov.uk/green-economy-climate-emergency> to make a pledge – it only takes a couple of minutes.
