

Flipchart Notes - Health and Wellbeing

A central resource for signposting people to relevant activities

Better access to primary care and signposting to continued care

Use a variety of media – leaflets, online, newspapers, information points

Encourage online prescription service

Utilise existing networks for social prescribing

Provide a wide variety of accessible activities

Prevention important- promote stop smoking and healthy eating

Encourage builders to build accessible houses fit for older people

Provide a bus stop outside Spa Medical Centre

Pedestrian crossings need painting white

Railing on raised pavement on Bath Road

Bus shelter needed in Lowbourne over the bench

Traffic lights need to “bleep” when pedestrians are crossing road

A place to talk and ask about help with utilities – electric, gas etc.

Dangerous areas – Market Place signage and lack of lights near Melksham House

Trusted helpers to provide home repairs

Bereavement support
