Wiltshire Family and Community Learning includes a range of community-based and outreach learning opportunities designed to help people of different ages and backgrounds to :

- Gain a new skill
- Reconnect with learning
- Prepare to progress to formal courses
- Learn how to support their children better

Our vision and strategy supports national, regional and Council objectives to create stronger, more resilient communities, supporting adults back into work and helping parents to support their children's life chances by:

- Delivering programmes in identified high priority areas of need, to targeted parents and carers of young children.
- Offering learners long term, planned programmes with clear progression pathways.
- Improving the attainment of adults and children as a result of families taking part in intergenerational learning activities.

Courses are funded by the Education and Skills Funding Agency. Learners must be 19+, have been resident in UK/EU for three or more years, have less than five GCSEs grades A-C and/or be a service family and/or in receipt of benefits
