1. Background

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

2. Main Considerations

2.1. Councillors will need to be satisfied that funding awarded in the 2020/2021 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

3. Environmental & Community Implications

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

4. Financial Implications

Financial provision had been made to cover this expenditure.

5. Legal Implications

There are no specific legal implications related to this report.

6. Human Resources Implications

There are no specific human resources implications related to this report.

7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

9. Applications for consideration

Application ID	Applicant	Project Proposal	Requested
3994	Tedworth Equestrian	Tedworth Park Pavilion Cafe Kitchen	£7740.00

Project Description:

We want to develop a community hub and cafe in the Pavilion by the Heritage Trail in Tedworth Park. We will do this in 2 Phases. Phase 1 will deliver an immediate takeaway facility COVID safety compliant. As restrictions lift this will be a small cafe offering a simple menu with seating indoors and outside. We can fund 50 of Phase 1 costs of Phase 1 and seek Area Board match funding for the remaining 50. Phase 2 will be the major construction of a new kitchen toilets and shopinformation hub. We are confident we will find Phase 2 funding in the region of 100000 in the next three years. This is not part of this bid. During these last difficult months many more people in Tidworth have turned to the Park for exercise and asked why there is no meeting place there. The Pavilion caf will meet their

immediate and future needs.

Input from Community Engagement Manager:

- The normal maximum award is £5k but councillors can award more if they feel the project has sufficient community benefit
- The application meets the criteria

Proposal

4066	Tedworth Equestrian	Tedworth Equestrian Community Facility Roof	£5000.00

Project Description:

The roof of the Tidworth Equestrian Riding Centre Toilet and Workshop Block is unsafe. We urgently need to replace it in order then to complete Phase 1 works to make toilets safe prior to the conversion of the block into a classroom facility as Phase 2. Currently students are having to use temporary portaloos which is far from ideal for disabled riders as well as the many other members of the community who use our facilities. We seek funding from the Area Board for nearly 50 of the costs to replace the roof and gutters.
