## 1. Background

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

## 2. Main Considerations

2.1. Councillors will need to be satisfied that funding awarded in the 2015/2016 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

## 3. Environmental & Community Implications

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

## 4. Financial Implications

Financial provision had been made to cover this expenditure.

The Amesbury Area Board capital grants fund has a balance of £31,890.50. Grant requests total £23,710.86. If awards are made as requested, the amount remaining will be £8,179.64.

## 5. Legal Implications

There are no specific legal implications related to this report.

## 6. Human Resources Implications

There are no specific human resources implications related to this report.

## 7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

## 8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

<a href="#">4184</a>	The Bridge Youth Project	Social Skills Project in Schools	£700.00
<p><b>Project Description:</b> The ratio is 42 children to staff. We are a charity that provides a range of programmes and support to children and staff across local schools. Our Social Skills programme supports children in local schools in small groups of no more than 4-at-a-time. Its a 7-week course that aims to build confidence self-esteem and support the mental health and wellbeing of children and it happens during the school day. There is obviously a big need at the moment with the impact of COVID and lockdown. The team really need a good quality laptop that we can use across these key schools in order to deliver these social skills sessions and wed like to appeal to the councillors for some funding that would enable us to purchase one for this use. We will be working again at Amesbury Primary School. Durrington Juniors St Nicholas Porton where we have already some virtual online support. We also anticipate that Newton Tony School might access our services in the next couple of months as they have expressed an interest. Thank you.</p> <p><b>Input from Community Engagement Manager:</b> This application meets our grants criteria 20/21. There is match funding in place. This project is for capital expenditure and will support young people &amp; children's mental health which has been affected during Covid-19.</p> <p><b>Proposal</b> That the Area Board determines the application.</p>
