Local Priorities & Updates Continued

Priority	Update

High Level Updates: Force

- **COVID-19:** From Monday 19 July, it is expected that the COVID Regulations will be amended further as part of the final stage of the Government roadmap. We have sought throughout the pandemic to take a proportionate response, working with our communities and we continue to see high levels of compliance with the regulations across the County.
- **Police Officer Uplift:** As part of the Government plan to recruit an additional 20,000 officers in England and Wales via the Uplift programme we have exceeded our first year allocation; recruiting 60 officers funded by Uplift by March 2021 (compared to a target of 49). We have recently closed our PC recruitment campaign – receiving 400 applications within 48 hours of recruitment opening.
- **Surge Demand:** We know that once lockdown restrictions lift, certain areas of our operational demand will rise. We will be launching a public engagement initiative to coincide with the lifting of COVID restrictions to inform the public of what this demand will look like and the part they can play in helping us manage it. Look out for this summer-long campaign launching next month.
