Local Priorities & Updates

Priority	Update
Covid	With lockdown restrictions easing, focus remains on local public houses to ensure they are COVID compliant. Any breaches of legislation will be dealt with and/or reported to the licensing team
ASB	Continues within the surrounding areas of the Rec but am pleased to report that there has been a reduction with the Pippin area through additional use of the CCTV van and high vis patrols. Further patrols are planned for the Rec.
Drug supply	Last reported additional drug supply within the low Lan area – Officers have continued to gather evidence and intelligence allowing for a more enforceable response and potential closure order of a property.
Speeding	Speed checks remain a priority working alongside Road safety awareness week in August. Hotspot locations include, Oxford Road and Sandpit lane. Additional rural areas have seen speed checks including Stockley, Heddington and Calne Bypass. CCTV van has also assisted in our tactics.
