# Performance – 12 months to March 2022

## Force

- Wiltshire Police recorded crime reports a YoY increase of 13.1% in the 12 months to March 2022 and continues to have one of the lowest crime rates in the country per 1,000 population. The 13.1% increase is attributed to a return to pre covid volumes and an extended Summer high experienced as restrictions were removed.
- Our service delivery remains consistently good.
- In March 2022, we received:
  - 8,911 '999' calls, which we answered within 10 seconds on average;
  - 10,814 '101' calls, which we answered within 8 seconds on average;
  - 11,417 CRIB calls, which we answered within 1 minute and 32 seconds on average.
- In March 2022, we also attended 1,635 emergency incidents within 9 minutes and 49 seconds on average.

# Performance – Hate Crime overview

## Force

- Hate Crime volumes are within normal bounds. Summer highs have been slightly more extended which has resulted in year-on-year increases (133 crimes, +17.5%), largely within Sexual Orientation and Racial crimes. This extended summer high is reflective of the trend seen within overall crime volumes, but is now showing signs of returning to the norm.
- Formal Action Taken (previously "detection") rate is at 13.5%, down by 7.2% from the previous year. Whilst rates have remained stable across Sexual, religious, transgender or disability related hate crimes (<1% variance), Racially motivated crimes relating to public order are driving the loss in detection rate.

# Local Priorities & Updates

Priority	Update
General ASB in town and surrounding roads	<p>We have seen another spike in ASB involving youths over the Easter half term. This remains a Priority for us as we understand the negative impact this behaviour has on the community. Police and CCTV continue to work together to identify suspects. Around 10 parents were contacted and ASB letters issued to them. These letters can then be used to support more formal CPW/CPN's where possible, going forward. Patrols have increased with our response colleagues. Other disorder has been reported at the Recreation Ground. Therefore the Police CCTV van has been placed there as a deterrent and this has been added to our patrol plan. We have compared the figures for ASB reports with last year and we are at the same level of reporting as last year. Therefore there is no increase but we of course continually seek to reduce ASB.</p>
Drug Supply	<p>We have found links between cannabis use and ASB. So we are targeting those supplying around the town as another tactic of seeking to reduce ASB. Warrants carried out in the past month have seen a male arrested and remanded in custody. This situation is under constant review as information is passed to us by the public.</p>
Community Speed Watch	<p>Priority checks this month continue on Oxford Road (new 40mph limit Tesco end), Quemerford and East Tytherton.</p>
School Parking issues Derry Hill	<p>Problem solving to reduce parking and other issues related to parents dropping off or picking up children attending the school. Pro-active patrols continue by local officers. This has been on hold during the Easter break but remains a priority as children return to school.</p>
