

Update for Wiltshire Area Boards

August 2022

Winter Planning

As our System continues to experience unrelenting demand challenges and operational pressures, we are continuing to work with our partners to deliver existing demand management and capacity improvement plans. We are monitoring the impact of these plans at both a System and Place level and will take the learning into the development of our plans for the coming winter. One important aspect of our future plans is the delivery of a Virtual Ward model. Virtual Wards allow patients to get the care they need at home safely and conveniently, rather than being in hospital.

Fiona Slevin-Brown, Wiltshire Place Director, is providing Executive leadership across the BSW programme to enable successful roll out of this programme across all three Places.

In addition, our winter plans will encompass the continuation of additional bed capacity to support wider adoption of discharge to assess. Further work to support the timely discharge of patients out of hospital will continue with specific focus on securing additional domiciliary care provision in South Wiltshire. This will contribute to the much needed capacity required to help with the expected challenges for this coming winter period.

Primary Care Update

In March 2022 NHS England published 'Enhanced Access for General Practice' guidelines, the aim is to improve access to GP services outside of core hours.

The new service which goes live from 1st October 2022 will provide more appointments for patients between the hours of 6.30pm – 8pm Monday to Friday, and 9am to 5pm on Saturdays. Details on how this will be delivered at a Primary Care Network and practice level will be communicated directly with local registered patients in the coming weeks.

Connecting with our Communities (CWOC)

The Wiltshire Integrated Care Alliance CWOC work stream is focused on empowering our communities and ensuring their voices are heard through the design and delivery of the work of the Alliance, paying particular attention to inclusion of our most vulnerable and marginalised residents. This workstream will be informed by the latest NHSE guidance outlining the revised legal responsibilities for statutory NHS

A CWOC away day is organised for the 30th August at County Hall, with invites being extended to representatives of the Wiltshire VCSE, and local statutory partners. The purpose of the away day is to work towards strong community engagement, including the planning of listening events within various communities within the Wiltshire footprint.
