Work by the Hate Crime Silver Scrutiny Panel on hate crime video to raise awareness of Hate Crime and how to report it, including details surrounding how the Criminal Justice System responds to it is ongoing. There is an increased focus on Out of Court Disposal outcomes relating to Hate Crimes.

# Local Priorities & Updates

Priority	Update
Farewell to some of the team...for now.	Since the last Area Board we have had to say farewell to some of the neighbourhood team. PC Dan Chavantre and PCSO's Dan Gill and Chris Doyle have left. The good news is that they are continuing to work for Wiltshire Police, just in different roles. The PCSO's have left to begin roles as police officers and so we hope their local knowledge means they will come back to this area to make best use of the many community contacts they have each built up over the years.
Two wheeled ASB	We've had a number of reports of people on motorbikes, e-bikes and e-scooters being ridden around Westbury recklessly and causing annoyance. Some of these reports include motorbikes being ridden on pavements and through parks. We have been conducting patrols and have arrested an individual in relation to this who has been questioned and remains under investigation. Any sightings of a similar nature should be reported to the police so that we can continue to respond.
Op Siege	Victims of residential burglaries will now be visited by a member of the local neighbourhood team to be given a 'SelectaDNA' kit and shown how to use and register it. These kits mark valuable property with a special material that leaves a specific trace behind which can help identify stolen items. SelectaDNA kits can be bought online, but the company have teamed up with Wiltshire Police to ensure victims of crime don't become repeat victims. The neighbourhood team provide crime prevention advice and material during the same visit. Feedback from the public so far has been very positive and our staff have been working hard to promote the initiative.
PEEL Inspection Progress	Following on from the announcement of the PEEL inspection by HMICFRS where Wiltshire Police were placed into 'special measures', we are please to say that progress in improving the areas most critical are well underway. Significant changes to team structures have been made to ensure serious and complex criminal investigations get a more consistent service, as well as a review underway for the structure of uniformed policing across the county. The PCC and C/Constable will be attending the Policing Performance Oversight Group (PPOG) in London on the 19 <sup>th</sup> Sept to provide an update to HMICFRS.
