

Minute No.	The Future of Salisbury City Hall
39	<p>The Board was asked to support the proposal of Cllr Rogers, to request that Wiltshire Council conducts any community engagement and/or consultation should the usage change, through the Salisbury Area Board.</p> <p>Cllr Rogers noted that the 8 Board Cllrs were the representatives of the city and should be involved if there was to be any change to the operation. People had been in touch with him about this issue as it was a much-loved venue in the city.</p> <p>It was important to be able to take the views of the public. Cllr Walsh supported the recommendation, adding that the city Hall was build with money put together for a war memorial for people that died in the second world war. There would be uproar if anything was done that was not considered by the Area Board.</p> <p>Cllr Dean had previously spoke to the Leader of the Council, when it first closed, he had assured him that there were no plans for a change of use and that when permitted the City Hall would be in use again for a new calendar of events with the existing staff.</p> <p>Cllr Dalton noted that all of the staff at City Hall had been made redundant so there would not be a staff to run it if it did open tomorrow.</p> <p>Decision</p> <p>The Salisbury Area Board requested that should the use of City Hall change in any way, that it conducts any community engagement and/or consultation through the Area Board.</p>
