- We will advertise our public meetings and surgeries on the **Your Area** section of the Wiltshire Police website, on local Neighbourhood Policing Team social media channels and Community Messaging
- Every engagement opportunity will be recorded so we can ensure we are meeting our commitment to you
- We will hold regular face to face meetings and events with a wide range of community groups such as businesses, faith groups, youth groups and residents' associations
- We will bring policing out to your community, through the proactive use of the Neighbourhood Engagement Vehicles.

ENGAGE REGULARLY THROUGH ONLINE CHANNELS

- We will actively use local Neighbourhood Policing Team social media channels to engage with our communities
- Every Neighbourhood Policing Team will host quarterly Facebook Live events
- We will exchange information with those signed up to our Community Messaging alert system via email, text or phone and continue to promote this free service to new members.

INCREASE AND BROADEN OUR ENGAGEMENT ACROSS NEED TO REACH COMMUNITIES

- We will build Community Beat Profiles for each of our Neighbourhood Policing Team to help us better understand the specific communities within our local areas
- We will engage with specific community groups and those living and working in particular geographical areas about those issues that are important or impacts most upon them
- We will work with young people and our partners in education settings to help improve safety, reduce reoffending and, along with relevant other agencies, offer support to those who need it.

PUBLISH INFORMATION ON YOUR LOCAL TEAM, LOCAL PRIORITIES AND UPDATE ON ACTIVITY

- We will provide you with information so you know who your local Neighbourhood Policing Team is by publishing this on the **Your Area** section of the Wiltshire Police website

CONSULT AND ENGAGE WITH COMMUNITIES ON KEY DECISIONS

- We will ask the public to take part in questionnaires and surveys to build information and improve our policing service
- We will provide visibility at Parish Council meetings and, in the absence of physical attendance, will provide a written update. We will also support a programme of additional meeting attendance through Area Boards or Community Safety Groups
- We will action feedback, concerns or complaints – and tell you what action has been taken. If we cannot help, we will help signpost the public to who can
- We will work closely with our partners, such as local authorities and parish and town councils, and community representatives i.e. businesses, faith groups, schools to tackle community issues
- We will work closely alongside local watch schemes to enable strong partnerships between the police and communities
- We will consult regularly with our Independent Advisory Groups (IAGs) to ensure they have a voice as a critical friend to help shape our policing service.

Our priorities:

Safer public spaces

Our Engagement Vision

Community Engagement impacts on everything we do

- We will use a range of techniques and channels to best connect with our communities to obtain their views on policing in the county, and ensure these techniques and channels are visible and accessible
- We will work collaboratively with a variety of partners to engage with communities where it makes sense to do so
 - We will actively encourage and enable people to be part of our policing conversations to help shape our approach, response, policy, and delivery
 - We will ensure our diverse and under-represented communities have a voice and are represented in conversations
 - We will demonstrate where we have listened and where we have changed our service as a result of what our communities are telling us
 - We will evaluate the success of our engagement activity and learn lessons to improve future engagement

Since we last met

Monday 13th May - To kick start [#OpSceptre](#) - a national operation to help tackle knife crime, Chippenham, Corsham and Calne Neighbourhood Teams worked alongside the Neighbourhood Harm Reduction Unit and our Police Cadets to perform a knife **Test Purchasing Operation** over the three towns.

Three out of nine shops visited failed the test and sold knives or other bladed articles to the cadet volunteers who were aged 15 and 16. Meetings have been held with Store Managers since this date and feedback passed to staff regarding the dangers of selling bladed articles.

22nd – 26th April - A total of 68 road related offences were detected in Chippenham and Calne during **Project Zero** this week.

Project Zero is a roads policing operation held every week at a different location in the county. Officers target drivers committing any of the fatal five offences in a bid to reduce the number of casualties on our roads. The project sees the Traffic Department intensify resources to target those who are driving at excess speed, drink/drug driving, using a phone while driving, not wearing a seatbelt or driving in a careless or dangerous manner.

April - Neighbourhood officers joined forces with police cadets to test safeguarding procedures and raise awareness of child sexual exploitation at local hotels. Working alongside the Neighbourhood Harm Reduction Unit (NHRU), plain clothes officers attempted to book a room with an underage cadet at a number of hotels in the Chippenham area as part of the **Hotel Watch Test Purchasing Operation**.

This was carried out to test the safeguarding procedures at the hotels. Follow up visits were carried out with the hotel managers of several hotels who failed to challenge room bookings. An emphasis was placed on education around exploitation and the signs to look out for.

13th April - Community Easter Event. Neighbourhoods Officers arranged a Community Event at **John Coles Park** on Saturday 13th April.

The event focussed on an introduction to the Neighbourhood Policing Team, Bike marking, Police Dog attendance, A look at our vehicles and gave an opportunity to raise any local concerns. Between 300 and 500 attended with the next event now arranged for Sunday 21st July.
