Our Community Commitment

ENGAGE REGULARLY WITH COMMUNITIES BY HOLDING FACE TO FACE EVENTS

- We will hold at least one public meeting / surgery per month, giving you a chance to meet your local team and find out more information on local policing priorities, crime stats and engagement opportunities
- We will advertise our public meetings and surgeries on the **Your Area** section of the Wiltshire Police website, on local Neighbourhood Policing Team social media channels and Community Messaging
- Every engagement opportunity will be recorded so we can ensure we are meeting our commitment to you
- We will hold regular face to face meetings and events with a wide range of community groups such as businesses, faith groups, youth groups and residents' associations
- We will bring policing out to your community, through the proactive use of the Neighbourhood Engagement Vehicles.

ENGAGE REGULARLY THROUGH ONLINE CHANNELS

- We will actively use local Neighbourhood Policing Team social media channels to engage with our communities
- Every Neighbourhood Policing Team will host quarterly Facebook Live events
- We will exchange information with those signed up to our Community Messaging alert system via email, text or phone and continue to promote this free service to new members.

INCREASE AND BROADEN OUR ENGAGEMENT ACROSS NEED TO REACH COMMUNITIES

- We will build Community Beat Profiles for each of our Neighbourhood Policing Team to help us better understand the specific communities within our local areas
- We will engage with specific community groups and those living and working in particular geographical areas about those issues that are important or impacts most upon them
- We will work with young people and our partners in education settings to help improve safety, reduce reoffending and, along with relevant other agencies, offer support to those who need it.

PUBLISH INFORMATION ON YOUR LOCAL TEAM, LOCAL PRIORITIES AND UPDATE ON ACTIVITY

- We will provide you with information so you know who your local Neighbourhood Policing Team is by publishing this on the **Your Area** section of the Wiltshire Police website
- We will publish monthly local priorities on the **Your Area** section of the Wiltshire Police website and, through our regular engagement with you, we will consult you when we are setting them
- We will provide community updates on activity being carried out to help tackle local priorities
- We will ensure intelligence-led visible patrolling in local communities, at least once a week, responding to local policing issues and concerns
- We will publish local policing updates, wherever possible, in community magazines / newsletters or bulletins.

CONSULT AND ENGAGE WITH COMMUNITIES ON KEY DECISIONS

- We will ask the public to take part in questionnaires and surveys to build information and improve our policing service
- We will provide visibility at Parish Council meetings and, in the absence of physical attendance, will provide a written update. We will also support a programme of additional meeting attendance through Area Boards or Community Safety Groups
- We will action feedback, concerns or complaints – and tell you what action has been taken. If we cannot help, we will help signpost the public to who can
- We will work closely with our partners, such as local authorities and parish and town councils, and community representatives i.e. businesses, faith groups, schools to tackle community issues
- We will work closely alongside local watch schemes to enable strong partnerships between the police and communities
- We will consult regularly with our Independent Advisory Groups (IAGs) to ensure they have a voice as a critical friend to help shape our policing service.

Our mission: Keeping Wiltshire Safe

Our priorities:

Safer public spaces

Violence

Burglary

Chippenham Community Engagements

Our Engagement Vision

Community Engagement impacts on everything we do

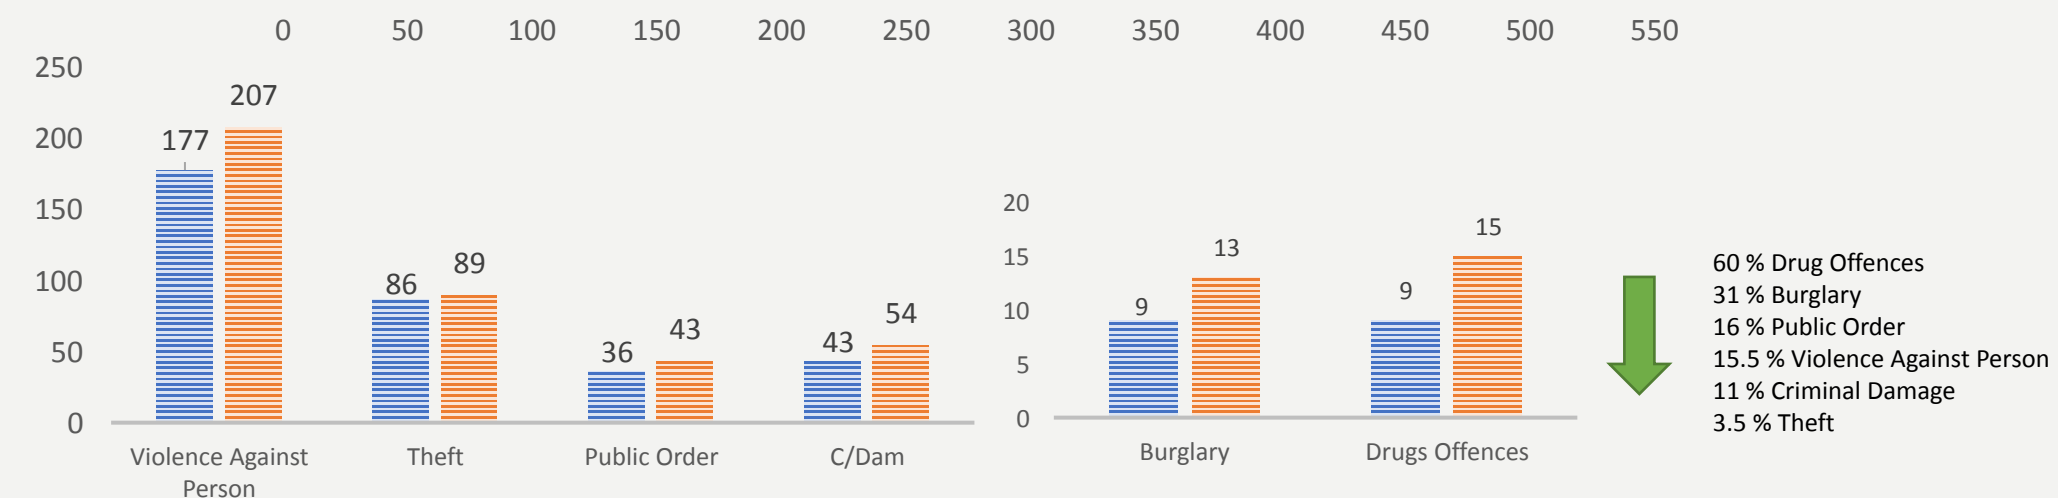

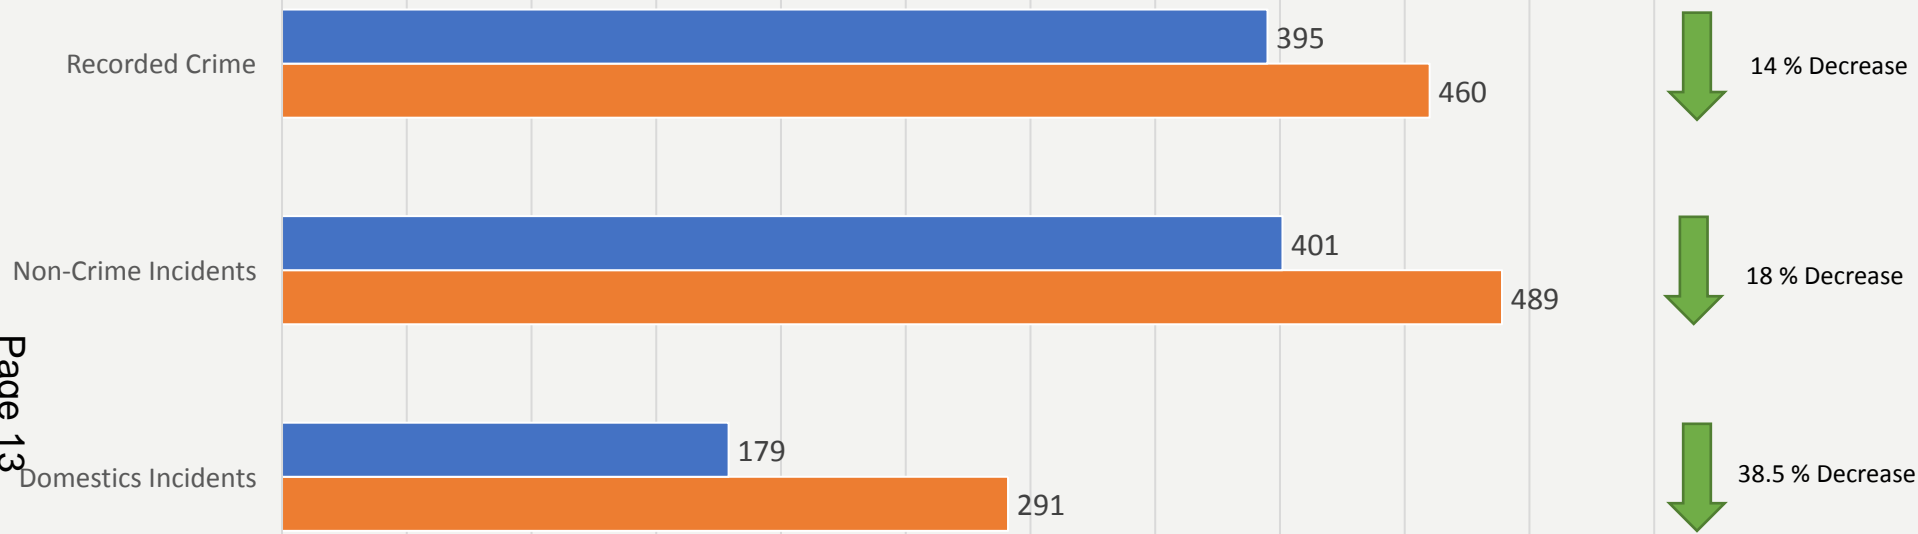

- We will use a range of techniques and channels to best connect with our communities to obtain their views on policing in the county, and ensure these techniques and channels are visible and accessible
- We will work collaboratively with a variety of partners to engage with communities where it makes sense to do so
- We will actively encourage and enable people to be part of our policing conversations to help shape our approach, response, policy, and delivery
- We will ensure our diverse and under-represented communities have a voice and are represented in conversations
- We will demonstrate where we have listened and where we have changed our service as a result of what our communities are telling us
- We will evaluate the success of our engagement activity and learn lessons to improve future engagement

Between January and December 2023 the Neighbourhood Policing Team completed **946 Community Engagements** within the Chippenham Town and Rural Neighbourhood Policing areas.

We are inviting you to get to know your Community Policing Team even better. Over the past few months, the communications team and your local officers have been working hard to create new areas on the Force website entitled 'Your Area.'

If you've not discovered them yet, the Your Area pages will give you a considerable amount of information about the area in which you live including who your neighbourhood officers and PCSOs are, how to contact them, crime statistics for your area including the top reported crimes and a crime map showing hot spots.

If you are interested to know what the local police priorities are you will find them on the pages along with an up-to-date list of meetings and events the team will be attending. You can even find out if there will be speed checks in your area.

Ageing population

Wiltshire's population is ageing and, while this presents a unique range of challenges, it also provides an opportunity to positively reshape how we view ageing within our own local communities.

Understanding our ageing population

Proportion of the population in 2021...

By 2040, Wiltshire's population aged 65 years and over is projected to increase by **43%**. Currently just over a fifth of the population is in this age range but this is expected to rise to closer to a third.

Health

In 2021, in Chippenham and Villages, **63%** of those aged 65 years and over consider themselves to be in **good health**, compared with 64% in Wiltshire.

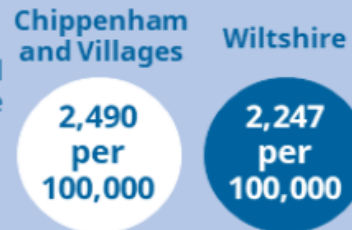

The prevalence of **dementia** in this community area was **0.9%** in 2022/23, which is the same as that across Wiltshire.

As of 2021, **24%** of people aged **50 years and over** in Chippenham and Villages are **disabled** under the Equality Act, compared with 25% across Wiltshire.

Rate of hospital admissions due to **falls** in people aged 65 years and over in 2021/22

Care, support and living arrangements

It is important to consider all factors that influence wellbeing in later life. These can include our neighbourhoods, housing and social care.

In 2021, **12%** of households in Chippenham and Villages were composed of people aged 66+ years **living on their own**, compared with 14% across Wiltshire.

As of 2021, **9.7%** of people aged 65 and over in this community area provided some form of **unpaid care**, and **3.8%** provided over 50 hours per week.

For those that are of state pension age, **6.9%** in Chippenham and Villages are in receipt of **Pension Credit**, compared with 7.5% in Wiltshire.

Persons aged 65 and over receiving support to live independently (2022/23)

Through the provision of home care services:		Through the provision of direct payments:	
Chippenham and Villages	Wiltshire	Chippenham and Villages	Wiltshire
18.5 per 1,000	17.7 per 1,000	4.8 per 1,000	5.1 per 1,000
