2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

Application ID	Applicant	Project Proposal	Requested
	Warminster and Villages Community Partnership	Pedestrian Map reprint	£1000.00
<b>Project Description:</b>  This map was created by members of the group and first printed in Nov 2017 thanks to Area Boards previous grant.  Our group has 167 walkers registered with an average of 65 walkers turning up each week and because through our weekly walks we came to know the town well we decided it might be helpful to provide a pedestrian map. .300 copies quickly ran out and we had a reprint in May 2018 from a local firm 1500 copies costing 220 which was funded by members of the group. The map has been distributed free of charge through the Civic Centre Warminster Community Hub and Warminster Library.  We have now distributed 1500 copies and the demand still exists and will be ongoing as new people move into the area. It is intended to provide information about footpaths and cut throughs in the town so that residents are aware of these and make journeys without using their car. It also publicises the group to encourage people to take regular exercise with no financial outlay. Besides the physical health benefits the group also provides a chance to improve mental health particularly for those living alone. It provides regular social contact in a safe environment outdoors often taking people into areas where they might be unlikely to venture on their own.  <b>Input from Community Engagement Manager:</b> This application fulfils the necessary grant criteria.
