Dear Licensing Department

Re: Proposed licence application for Calne FC.

This is an objection in reference to the application by Calne FC to Hold a licence for the sale alcohol and live music , recorded music performance of dance and other similar to description .

In addition to the points already raised in my previous letters i would like to raise the following concerns by way of formal objection.

1. Concentration of Licensed Premises local to the proposed application venue.

- There are 2 public houses on Bremhill View and one just off the street in close proximity to the proposed site.
- There are 2 shops selling alcohol nearby to Bremhill View .
- In addition to above there are numerous pubs close by which provide all which this licence is being applied for.

After leaving local public houses (and this venue if this application was granted) late at night the concern is that people will be drawn into the residential and conservation area on and near Bremhill View. Which will cause a noise nuisance for the residents of Bremhill View and surrounding areas. There is also potential overspill from events which are held at Bremhill View social club and the north star club such as weddings and parties that take place in a respectively some 1-2 minutes away from, and opposite, the site.

The addition of another licence being granted for the selling alcohol in this location, which is a conservation area and bounded by a children's play park and a children's nursery which hosts weekly regular young children's events, is inappropriate during daylight hours and after dark adds to concerns about breaches of the peace increasing in and around the site (as referred to below).

2. Crime and Disorder.

Granting this licence will draw unwelcome attention and increased footfall at unsociable hours to a residential and conservation area.

Noise, public nuisance, anti-social behaviour, low-level nuisance (non reportable crime inc. shouting, swearing, urination in public, littering) will be increased if this licence was granted .

The site is adjacent to North end play Park. Historically there have been incidents of regular gatherings of youths drinking alcohol and causing disturbances to residents of Bremhill View.

Police attention to this issue has somewhat lowered this, however, the site is acknowledged by the Police to be of concern for antisocial behaviour.

Recently there has an incident of malicious woundings on the exact premises of Bremhill view where this licence has been applied for. My concern being with added people and alcohol being served daily this could result again as people can become violent once alcohol has been consumed. I am wondering if this licence was approved will they run along with the licensing objectives to ensure a

smooth running ... I have a huge doubt that this licence will not be managed correctly or accordingly with the licensing objectives.

3. Public Nuisance.

Licence for alcohol mon-sun 10:00-23:30hrs opening times in a quiet, residential, conservation area will draw people from different areas at unsociable hours.

Live music , recorded music performance of dance and other of a similar description Fri-mon 10:00-23:30hrs will cause a massive public Nuisance for the residents of Bremhill View and in the local area to Bremhill view this would cause a disturbance to daily living we already have to adjust our television volumes to counter act the noise already this will become worse if this licence for calne fc was approved.

I can imagine if this licence was approved events will be held on the site which will add to the additional draw of pedestrians and vehicles to the street we already have limited space for parking and the road is used daily by young children attending north end play park.

Noise, light pollution, traffic and traffic noise will all have a negative impact, as this is a residential area.

Additional traffic, to a small road will have serious public safety implications, Including the fire safety of residents in Bremhill View and near by as with increased traffic and limited space fire crews may struggle to gain access.

The proposed Calne fc site has a very small parking area The aforementioned Northstar site has several more,(not many more)approving this licence will attract considerably more traffic than the site can handle, leading to congestion.

4. The Protection of Children From Harm.

The licence conflicts with the amenities available to children in the local area, putting them at risk from anti-social behaviour, drunkenness,increased littering mainly cigarette butts , human infestations such as vomit urine and exposure to the marketing and sale of alcohol and of course the increased potential for road traffic incidents due to extra road traffic on a small road.

Initial Representation

To whom it may concern,

I'm writing with reference to the recent planning application put in by Calne town FC Committee, at Bremhill view calne,

I object to this application on many points, this is a residential area and the noise would be horrendous recorded music is already played every Saturday afternoon and that is loud as it is, The club would not be able to provide parking so the road will be blocked up the street is used everyday all day by children going the play park this would cause danger to them, The music and other entertainments may end at 11.30 pm but the people attending will not leave then there will be people all hours, It will devalue our property, We do not need 3 places selling alcohol and events in on very very small street, There is already a venue providing all the proposed activities in Calne at Beverbrook which is very close by, the club have no inside area so to speak so this will be outside, It is a football club not a leisure centre.

We will not be able sit in our own homes and sleep in our beds without being disturbed and there will be no chance of having windows open on hot evenings.

Another point the air ambulance often uses the pitch to land if its full of people that would be an issue, I would say every home along bremhill view has small children or OAP I know this will scare them.

yours sincerely Mrs Sarah L Cleverley

Dear Jemma ,

I am writing to register my objection to the application made for licensing for calne FC.

The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives. Particularly the prevention of crime , disorder and anti social behaviour.

Calne FC lies with in a residential area of eight houses mine being in centre to the entrance of calne FC. All eight houses are occupied by families with young children or OAPs. Enabling the premises of Calne FC to sell alcohol would be totally detrimental to its aims and objectives. The application proposes that alcohol will be sold for consumption on the premises Monday to Sunday 10:00hrs to 23:30hrs. By providing this licence this would provide a further source of alcohol with in an area already so heavily populated with licensed premises, that crime , disorder and public nuisance have already reached problem levels occasionally having to be resolved by the local police.

Residents in Bremhill View already suffer noise nuisance and anti social behaviour at all hours of the day and night from other licensed premises in the area. The application states live music , recorded music , performance of dance and other entertainment of similar description Friday to Monday 10:00hrs to 23:30hrs. Noise nuisance isn't just the problem the public who will be attending events held at the proposed premises leave in an anti social manner from consuming too much alcohol. Too many times the residents of Bremhill View have had criminal damage to their vehicles or private property from intoxicated individuals leaving the licensed premises already in this area.

Noise , public Nuisance , antisocial behaviour and low levels of crime such as shouting , swearing , urination in public and littering will all be increased if this licence for Calne FC was granted. There has recently been an incident in the particular premises in which this licence is being applied for of serious bodily harm, illustrating the reality of the local residents concerns. If this licence was granted this could result again and again.

I don't feel that the licence if granted will be managed correctly and in accordance with the licensing objectives.

I feel that the premises which are applying for the licence is not large enough to cater for up-to 499 people and two occasions yearly for over 500 people as the licence notification states.

Granting this licence for Calne FC in a quiet , residential conservation area will unnecessarily draw people from a wider area at a unsociable hour.

Additional traffic , noise , light pollution and traffic noise will have a negative impact to note again in a conversation area with two already licensed establishments.

With additional traffic to a road with only one entrance and the same exit this could cause serious public safety implications. Not to mention fire safety.

If the licence for Calne FC was granted this will conflict with the local amenities for children , with a large children's play park situated just behind the premises of Calne FC potentially putting children at risk from antisocial behaviour, increased littering , human infestation such as vomit and urine , exposure to the marketing and sale of alcohol and most importantly the increased potential for road traffic incidents.

In view to all of the above , I would urge the licensing authority to refuse the application made for Calne FC.

Regards

Mrs Jade Stockley.

Initial Representation

Hi good evening ,

It has been brought to my attention whilst out on a family walk this evening that there has been an application for a licence in order for calne FC to obtain a licence for selling of alcohol , live music and films and more on the premises of Bremhill View football grounds.

I live in Bremhill View and have done for 5 years this is a residential area with 8 houses all occupied by family's with young children or OAPs.

I am objecting against this application for the all of the above.

My reasons being I feel that the space they have will not cater up for 499 people , football matches and practices prove difficult for parking already down the street as there's limited space at the moment let alone more vehicles to added if this was approved .

There's is a children's play park just behind the football ground with young children playing including my two children who love the park , children use Bremhill View road to access the park so children will be walking up and down the road which with more vehicles being attracted could cause accidents.

The grounds are often used by the air ambulance for the injured if there was an event on this would prove difficult for the air ambulance leaving the injured lives at risk.

Bremhill View already have two social drinking areas , Bremhill View social club and the North Star club

I don't see the need or want for any more. Beversbrook sports facility already caters for all that's being applied for.

The application states live music until 11:30pm, this will not be the case people don't want to leave that early so will most probably will be extended every event held , it's bad enough for noise from the other social clubs down the street let alone adding more to the equation.

I have two young children aged 4 & 2 who have already had to witness crime as back in November 2018 there was a stabbing in the carpark in which wasn't very nice for all down Bremhill View having the road isolated off while CID investigated. I feel having such events to cater for 499 people with drink fuel adults will cause the crime levels to rise significantly in which I do not want my children to have to witness or have to deal with. This is my biggest concern!

The signs that are notifying the public of the alleged applications are also hidden!! There not very noticeable so I don't think that everyone within this area are aware of the application.

You wouldn't plan to put a night club on a residential living area!! I feel this is would be just the same if not worse!

Please consider this as written notification that I object to the planning or application proposed for calne FC.

Jade Stockley

Representation 3 – Mr and Mrs Baker

Dear Jemma,

I am writing to register our objection to the application of licensing by Calne Football Club. We are residents of 15 Bremhill view and we are a young family with a little boy.

One of our main points of the application is to host music events and extend the opening hours. , as this is a residential area we feel this would not be appropriate. In the past we have suffered damage to our cars (Wing mirrors) from where people have been drunk. We have witnessed antisocial behaviour and loud noise and swearing .

With the proposed amount of people this will have an increased affect on noise and antisocial behaviour. There will be more people drinking and this can lead to unpleasant disturbances.

Not so long ago there was a major incident which resulted in a serious injury , if more drink is encouraged then this will be a repeat performance, this will make it feel unsafe for the current residents. As parents to a young child we do not want our children to be subjected to this kind of behaviour or language.

I think that there are enough places in the local area that offer this same proposed resource and we fill that another is not needed and should not be encouraged. If this license is granted this will add another venue which will encourage more drinking and disturbance. On match days we can here the music , this can be loud. If more events and longer events are held this will prove to be louder and cause more disturbance.

Kind Regards

Dear Sir/madam.

i am writing in regards to the application that has been made by the Calne Town football Club to change there terms of use .

My self and my husband and our young son are Residents of 15 Bremhill view. We live directly oppisite.

At the moment there is not parking for what the football club is curently used for. this often creates lots of congestion and frustration to home owners. At times we have not been able to park near our houses and with young childrens means walking unesscicery amounts. This also creates a danger due to lots of cars moving. There are often lots of children playing, as at the end of the street we also have a park. If the events were to host 500 people I would worry where these extra cars would park.

On footbal match days you can here the noice that they chanel over the speakers and this is fine as this does not tend to go on long, but if thus were to go on later then this would be very disruptive to the local residents. At the moment the when the socal club itself hosts events we can here this but to have this going on 7 days aweek is unacceptable as there will be children sleeping and i would not like the worry of comeing home to loud music.

The street lighting is very poor and I believe that this again would be very unsafe with the amount of people that are proposed. There are no lights within the car park.

There are also other venues which offer this idea within Calne and I feel that as this one is in a residential area it is not practical. I also do not think promoting the idea of rowdy behaviour in a residential area is appropriate.

I look forward to hearing from you.

To Whom It May Concern

I am a resident at 13 Bremhill View, Calne and I am aware that Calne FC have put in an application for a premises license.

I am objecting for the following reasons:

- I am a mother to two young children (5 & 7) and we would have severe noise disturbance. We need to prevent any harm to our children as once the members of the facilities have consumed alcohol, people can get aggressive

- the parking here is atrocious on match days as it is. Think of how it is going to be when more people are here. We won't have anywhere to park and it would cause chaos even more knowing that nearly 500 people will try and find a space.

- we need to prevent crime and disorder and again, once people are under the influence of alcohol, vehicles and property become damaged.

Do you not think that there are already enough venues that sell alcohol within close proximity of each other?

If this is not accepted then the residents of Bremhill View will take this further by means of a petition for not only us but other residents who shall be disturbed by the volume of noise and we will also take this to the newspapers and local radio.

I am not sure if Calne Town Council have a say in this but I will be in contact with them too.

If then, this has not been accepted, we would appreciate you turning the road into a road where residents require permits to park.

The proposed Calne fc site has a very small parking area The aforementioned Northstar site has several more,(not many more)approving this licence will attract considerably more traffic than the site can handle, leading to congestion.

4. The Protection of Children From Harm.

The licence conflicts with the amenities available to children in the local area, putting them at risk from anti-social behaviour, drunkenness,increased littering mainly cigarette butts , human infestations such as vomit urine and exposure to the marketing and sale of alcohol and of course the increased potential for road traffic incidents due to extra road traffic on a small road.

– There is one nursery at the entrance to Bremhill View near to the proposed site Fynamore school is situated close by too.

Bremhill View social club and the north star run children's activities and is a venue for hire for children's parties and family functions such as weddings and christenings.

– Annual Community events such as the towns loved lantern parade and the summer carnival's starting points are at Bremhill View car Park.

– Northend play Park is a green space to enjoy, for children to play in and to walk dogs.

Thank you for taking the time to seriously consider these objections.

Yours Sincerely,
