The right healthcare, for you, with you, near you

NHS Wiltshire Clinical Commissioning Group (CCG) is responsible for commissioning a broad range of healthcare for the population of Wiltshire. We are led by experienced local GPs drawn from across the county, who provide clear clinical leadership to the big decisions affecting the future of healthcare provision in Wiltshire, carefully tailored to meet the differing needs of people locally.

Our vision is to ensure the provision of a health service which is high quality, effective, clinically-led and local. We are committed to delivering healthcare that meets the needs of Wiltshire people, to consult and engage with our population to enable them to be involved in decisions made about health services and to deliver those services to people in their own homes or as close to home as possible.

Transforming Maternity Services Together - update

Thank you to everyone who took part in our consultation and shared their views with us. There were many suggestions for how we can improve services and these will help inform our future plans.

Since we started this process in 2017, more than 4,500 mums, families, staff and partners in the community have shared their views and ideas about how to deliver a safe and positive birth and maternity experience for families in B&NES, Swindon and Wiltshire, as well as prepare them to approach parenting with confidence.

Our proposals have been rigorously examined by the South West Clinical Senate and an independent expert panel which included a GP, an obstetrician, representatives of mums and dads, a midwife and a quality improvement lead. We have also consulted with a joint B&NES, Swindon and Wiltshire Health and Overview Scrutiny Committee and worked through the NHS England assurance process.

A final set of recommendations will be submitted to a joint meeting of the BaNES, Swindon and Wiltshire Clinical Commissioning Groups Governing Body on Thursday 16 January 2020 where a decision will be made.

This meeting will be in public and will take place at the Lackham Campus, Wiltshire College from 10am – 12 noon. More information will be available on the CCG websites shortly and papers will be published on the sites on 9 January 2020, in advance of the meeting. If you have any queries, please email us at maternity.transformationBSW@nhs.net

You can still find information on the proposals on the [Transforming Maternity Services Together website](#).
