Preventing a Public Nuisance

We are objecting to this licence variation on the grounds of preventing a public nuisance. This application to extend the licenced area to include the car park will allow excessive and disruptively loud live music and sporting events that will be heard several streets away including The Close, Chantry Mews, Portway and North Row. I understand that a copy of the petition will be supplied to the applicant and a copy will be contained within the committee papers, so my personal details will become public knowledge.
