Local Priorities & Updates

Priority	Update
ASB	We have received reports of ASB in Avondown Rd and around the Amesbury Pavilion at the recreation ground. We have been working closely with partner agencies and a new CCTV camera system has been installed. This has enabled us to identify possible suspects so that appropriate action can be taken. Targeted patrols will continue within these areas.
Night Time Economy Patrols	We are continuing to focus on alcohol related offences within the Town Centre during the evenings especially approaching the weekend. We are working with our licencing colleagues to educate and enforce licencing conditions within the licence premises. High visibility targeted patrols will continue at key times within the Town where possible, to provide reassurance to the community and to deal with any ASB and public order offences being committed.
Rural crime	Rural crime continues to be a focus for the team. Joint proactive operations have taken place over the last month, with the neighbourhood team from Salisbury, Amesbury and the Rural Crime Team. Further proactive operations are planned for the coming months.
Drink Drug Driving Campaign	The national drink and drug drive campaign started on Wednesday 1st December and will run throughout December, to raise awareness of the potential dangers and consequences of drink and drug driving. During the month long campaign Wiltshire Police's Roads Policing Unit will be supported by Community Policing Teams across Wiltshire and Swindon to carry out increased patrols and operational activity.

Local Priorities & Updates Continued

Priority	Update
Non dwelling and dwelling burglaries	Non-dwelling and dwelling burglaries remain a priority especially across our rural communities and border areas with other forces. We have seen an increase in shed breaks whereby power tools and expensive bikes have been stolen and jewellery and electrical items, such as iPads are being stolen from dwellings. The team have continued to carry out high visibility patrols in known targeted areas and are working closely with neighbouring forces to identify and target possible offenders as well as investigating individual offences where lines of enquiry exist and offering security advice to victims.
