Performance – 12 months to April 2022

Force

- Wiltshire Police recorded crime reports a YoY increase of 11.9% in the 12 months to April 2022 and continues to have one of the lowest crime rates in the country per 1,000 population. The 11.9% increase is attributed to a return to pre covid volumes and an extended Summer high experienced as restrictions were removed.
- Our service delivery remains consistently good.
- In April 2022, we received:
 - 8,468 '999' calls, which we answered within 9 seconds on average;
 - 10,272 '101' calls, which we answered within 10 seconds on average;
 - 11,017 CRIB calls, which we answered within 1 minute and 42 seconds on average.
- In April 2022, we also attended 1,596 emergency incidents within 9 minutes and 35 seconds on average.

Performance – Hate Crime overview

Force

Hate Crime volumes report as within normal bounds, however show some signs of unease within its trend.

Summer highs have been slightly more extended which has resulted in year-on-year increases (126 crimes, +16.2%), largely within Sexual Orientation and Racial crimes, however Transgender also reporting an increase (+14 crimes, +73.7%).

This extended summer high is reflective of the trend seen within overall crime volumes, but is now showing signs of returning to the norm.

The Force is monitoring any signs of activity with detail that suggests hate directed towards the following activities; those of Russian origin, those of Muslim faith following increased visibility surrounding Ramadan, pro-Palestinian protest activity across the UK relating to Israel and Gaza conflicts.

The Hate Crime Silver Scrutiny Panel are looking to create a hate crime video to raise awareness of Hate Crime and how to report it, including details surrounding how the Criminal Justice System responds to it.

Local Priorities & Updates

Priority	Update
Non dwelling burglaries	We have seen an increase in non-dwelling burglaries across the area, whereby garages, outhouses and sheds have been targeted. Items stolen include power tools, bikes and garden machinery. High visibility patrols are being undertaken in known hot spot areas. Rural areas are being most affected. A number of bike marking consultations have been carried out by the team and further sessions are planned in the coming weeks. We are continuing to work with our cross border forces in identifying possible suspects.
Anti social behaviour	We have seen increased reports of ASB in and around The Friary, Churchill Gardens and in the City Centre. High visibility pulse patrols have been undertaken in these areas by the Neighbourhood and Responses team and this will continue in the coming weeks. Partner Agency work is ongoing to ensure a joined up approach where possible.
Street drinking in the City Centre	With the summer months approaching we are mindful of previous issues involving street drinkers and reports of associated ASB in the City Centre. We are undertaking proactive work with other agencies in an attempt to address potential issues and concerns early. This will involve joint partnership patrols in known hot spot areas.
ASB involving off road motorbikes	Following several reports of off road motorbikes being ridden across fields and byways, officers are engaging with landowners to report incidents as they are happening in order to identify and appropriately deal with those involved. This is being supported by our specialist traffic officers carrying out targeted patrols in known areas.

Local Priorities & Updates Continued

Priority	Update
Community Speed Watch	Officers from the neighbourhood and response teams have continued to support our CSW colleagues where possible out in the community.
Anti social behaviour	Heading towards the better weather we know that we may see an increase in ASB and alcohol related offences around the open spaces, in particular the Town path / Old Mill / Harnham Recreation Ground area. Work is already ongoing with our partner agencies to bring together a proactive joined up approach.
