

Family and Community Learning

The Family and Community Learning team is currently offering ESOL courses to the Ukrainian guests at Trowbridge Town Hall.

Although the course has started, we are still taking expressions of interest from new arrivals from Ukraine. If there is interest to deliver further ESOL courses, we can offer further provision and keep in touch with the host families and their guests.

Please contact us if hosts/guests/services are interested: call 01225 770478 email: familyandcommunitylearning@wiltshire.gov.uk explore <https://workwiltshire.co.uk/family-learning/>
