

## Changes Recommended by the Inspector to the South Wiltshire Core Strategy Submission Document

Proposed Change Reference	CS Reference	Change	Source
IC/1	Paragraph 11.11	Tisbury itself has one main employment site known as the Station Works. <del>The Employment Land Review identifies this as an 'identified employment site' and suggests that it could be suitable for redevelopment for intensification and modernisation of employment uses. This will be supported providing it does not result in adverse environmental impacts that can not be mitigated.</del>	
IC/2	Core Policy 3	<p>Core Policy 3 - Meeting Local Needs for Affordable Housing</p> <p>The Council's target for affordable housing is that 250 of net additional dwellings per annum from the date of adoption of the Core Strategy to 2026 should be affordable. This will be achieved by:</p> <p>A requirement for <u>target of</u> 40% affordable housing (net) on sites of 15 dwellings or more.</p> <p>A requirement for <u>target of</u> 25% affordable housing (net) on sites of between 5 and 14 dwellings.</p>
