Subject: Warminster wobble grant application

Jacqui

Thank you for your e-mail of 26 February. At the time that I submitted the small grant bid I was unable to contact our Treasurer to get details of the budget for this year's Warminster Wobble as he was in France. I based my figures on last year's figures.

The correct figures for the Funding Section are:

Total Cost of Project: £1,750

Funds Applied For: £350

Sources of Funding

Warminster Town Council. Applied For £1,000. Received £1,000

Waitrose. Applied For N/A Received £ 280

Sale of Advertising Applied For £ 120. Received £ 0

We anticipate that we will raise the £120 from selling advertising on our promotional literature.

Regards

Colin French
