There was £13,494 revenue leftover from the previous financial year which had been added to an additional £17,000. Page 11 of the booklet indicated the numbers of residents in the Warminster Community Area aged 65 and over. Evidence was noted as suggesting that a majority of those born recently would live to reach 100. £129million was being spent from the Wiltshire Council budget to provide care for residents. It was explained that services would have been unable to cope with current pressures if it wasn't for the help from volunteers.</p> <p>The booklet was noted as being an incomplete draft. People were urged to get in contact to inform the Council aware of any unlisted services and organisations within the local area.</p> <p>An information and advice portal was now available through the Wiltshire Council website. The portal was a directory service which operated through simple tabs to provide information of services available within the local area and a set radius. The portal would continue to develop as it was updated with more services. A self-referral form was hoped to be added later in the year.</p> <p>The Market Position Statement booklet for Warminster Community Area was explained to contain everything currently known to Wiltshire Council around the area. It was noted that a lot of information needed to be discovered and included in the second draft. This piece of work would help Wiltshire Council locate areas that required future funding. A separate Market Position Statement document was available for each area board.</p> <p>Iain Kirby informed the Area Board that there would be an Older People's Workshop held on 19 June 2015 in the Warminster Civic Centre at 1.30pm. The Area Board was asked to nominate an Older People's and a Carer's Champion through the workshop. These would be supported voluntary roles which were</p>

	<p>anticipated to meet on a quarterly basis to share news and information on community needs. It was explained that more than one could be nominated, but that too many representatives across 17 area boards could present management problems. Those interested were encouraged to attend the workshop.</p>
	<p><u>Community Area Transport Group</u></p> <p>The Warminster Area Board was asked to agree the budget allocation proposals from the Community Area Transport Group (CATG) for the Warminster Community Area.</p> <p>It was clarified that “Geys Hill Corsley - Passing Bay” was a figure previously approved by the Area Board.</p> <p><b>Decision</b></p> <p><b>That the Warminster Area Board approves the three projects listed in the report for CATG expenditure.</b></p>
	<p><u>Warminster Campus Operations Board Update</u></p> <p>Cllr Keith Humphries introduced the item. It was explained that the SCOB had been looking at a number of potential campus locations in the area. Warminster Town Centre had been decided as the general location for a campus. The subject would come back in due course for approval.</p> <p><b>Decision</b></p> <p><b>To note the minutes of the 27 March 2015 Warminster Camus Shadow Operations Board.</b></p>
