0109 2010

Dear Sir

With reference to the Rose & Crown Public House in East Street Warmingston and its new application for an extended music licence.

As a resident of East Street, I have the following objections

- 1/ The volume of the music will make the quiet use of our back and front gardens rather unpleasant during the summer evenings during the live music periods
- 2/ At the moment a group uses the function room to practise on Sunday evenings, I can hear the row in my house two doors away with the windows and doors closed
- 3/ The Rose & Crown has no off road parking. Parking is already a problem for East Street Residents, with out even more looking for parking spaces.
- 4/ The Rose & Crown is in the center of a residential area that is also a designated Conservation Area. Does the extra music days fit in with a Conservation Area
- 5/ The possibility of more drunken behaviour - what has Page 5 now for some time

a quite residential area

6/ The fact that the council has not sent letters out to the residents about this leaving it to be found out by word of mouth.

7 The fact that during a hot summer evening you would not be able to leave windows open due to the noise level from the Rosea Crown.

Yours sincerely

A. K. Pultores
