Dear Caroline

Your ref:
Our ref: KB/

With reference to: transport fund

The Pewsey Community Area young peoples Issues Group would like to apply for £200 from the transport budget. This amount of money would help us transport young people by minibus on a variety of trips during October, November and December. The cost of the minibus is 75p a mile.

We would like to go:
Ice skating – Swindon
Bowling – Swindon
Cinema – Swindon
Go Karting venue to be confirmed
Golf driving range in Larkhill
Go Ape – Moors valley.

We are currently running a leisure credit scheme through Community Area young peoples Issues Group and funding to help with transport cost would be a big help.

Many thanks

Dan Vallis – member of Community Area young peoples Issues Group

Yours sincerely / faithfully
