**RECOMMENDATIONS**

**Purpose of the Report**

To put forward for approval recommendations from the Community Area Transport Group meeting of the 9 September 2014

**1. Background**

- 1.1 Due to the complexity of assessing and selecting schemes from the many requests, and the potential time that such an agenda item would take, each Area Board was requested to set up a Community Area Transport Group (CATG) to make recommendations to the Area Board
- 1.2 In 2014/15 Trowbridge Area Board has a budget of £15,354 discretionary budget to involve them in the assessment and selection of small-scale transport schemes and other Highways matters to be progressed in their community area.
- 1.3 It should be noted that this allocation is for capital funding and can only be used to provide new and improved infrastructure. It is to be used for schemes that improve safety, increase accessibility and sustainability by promoting walking, cycling and public transport, and improve traffic management. It cannot be used to fund maintenance schemes; these are selected using technical surveys and inspections.

**2. Main Considerations**

- 2.1 It was agreed to recommend to the Area Board to allocate **£200** towards yellow backing for signage on Scotland/Ireland Road
- 2.2 It was agreed to recommend to the Area Board to allocate up to **£2,000** for a bus shelter on Hill Street, Hilperton on condition that 50% funding was allocated from Hilperton parish council

**3. Environmental Impact of the Proposals**

- 3.1 There is no environmental impact
