Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

**2. Main Considerations**

2.1. Councillors will need to be satisfied that funding awarded in the 2018/2019 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

**3. Environmental & Community Implications**

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

**4. Financial Implications**

Financial provision had been made to cover this expenditure.

**5. Legal Implications**

There are no specific legal implications related to this report.

## 6. Human Resources Implications

There are no specific human resources implications related to this report.

## 7. Equality and Inclusion Implications

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

Community Area Grants will give local community and voluntary groups, Town and Parish Council's equal opportunity to receive funding towards community based projects and schemes, where they meet the funding criteria.

## 8. Safeguarding Implications

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

## 9. Applications for consideration

<b>Input from Community Engagement Manager:</b>			
<ul style="list-style-type: none"><li>The application meets the grants criteria and can be considered</li><li>The owner of the Clock Inn Park General Estate is prepared to pay all the running costs and maintenance</li></ul>			
<b>Proposal</b> That the Area Board determines the application.			

Application ID	Applicant	Project Proposal	Requested
<a href="#">3127</a>	All Cannings CE Primary School	School Radio	£3000.00
<b>Project Description:</b> All Cannings is one of three rural primary schools in the Devizes Area that would like to set up a radio project to draw together pupils home and the local community. For pupils travelling from a variety of local villages as well as the edge of Devizes real engagement with families can be a challenge. We are also aware that some local residents feel isolated. The project would see pupils learning how to create and broadcast and then teaching this to community groups who would be able to do their own recordings.			
<b>Input from Community Engagement Manager:</b>			
<ul style="list-style-type: none"><li>The application meets the grants criteria and can be considered</li><li>The project brings in involvement and support from two other schools in Chirton and Woodborough. It should be noted that these are in the Pewsey area</li></ul>			
<b>Proposal</b> That the Area Board determines the application.			

No unpublished documents have been relied upon in the preparation of this report
