## HIGH LEVEL CPT UPDATES:

Happy New year to all of you from South East Community Policing Team. We hope you all enjoyed the festive season. We are pleased to report that the month of December was a positive month for our policing teams with minimal disorder reported and some really successful proactive operations.

### **Proactive operations and good news stories.**

The 1<sup>st</sup> of December marked the start of our new neighbourhood section of our community policing teams. This is great news for the local community as this involves a dedicated Sergeant, 3 PC's and 8 PCSO's. The PCSO's area will remain unchanged and they will continue the great work they already do in the community and will still be your main points of contact.

Sergeant Lucy Thorne has taken up the post of neighbourhood Sergeant, who you will know was previously my deputy, so she is familiar with the area and key issues we have addressed in the past 6 months.

The positive uplift also involves us recruiting 3 PC's onto Neighbourhood. Many of you will have worked with Lucy Wileman and Juliet Cox as community coordinators and I am thrilled that Juliet and Lucy will become neighbourhood PC's and continue their great work in the community, focusing on solving long term problems and emerging crime series.

PC Sharon Duggan was successful in taking up the third post. PC Duggan comes from the response section at South East Policing Team and is well familiarised already with the area, she has taken on this post as of 8<sup>th</sup> January. In order to ensure all areas within the South-East hub receive the best service we have decided to split the areas of responsibility for the PC's as below:

PC Lucy Wileman- Amesbury Town

PC Juliet Cox- Amesbury Rural, Larkhill and Bulford

PC Sharon Duggan- Tidworth and Ludgershall.

Our implementation of the Neighbourhood team will form one of our priorities into January and February. This will involve continuous liaising with our community and partners with a focus on youth intervention and understanding where our key areas are for anti-social behaviour and repeat crime patterns. We are always keen to gain feedback on these changes so please feel free to contact us with anything you feel may have made a difference or we could improve on. We can all be contacted on [AmesburyAreaCPT@wiltshire.pnn.police.uk](mailto:AmesburyAreaCPT@wiltshire.pnn.police.uk).

## Drink Drive Campaign

The start of December saw our force wide drink drive campaign get underway, our South East Team conducted several proactive operations for drink drivers resulting in regularly stop checks of vehicles and several drivers prosecuted for drink driving offences in the area. This is still a disappointing statistic that people are still choosing to take this risk however please be reassured that even though the festive period is over, our officers are always patrolling for and stopping vehicles they suspect maybe over the legal limit for drugs and alcohol, this is something we take very seriously and hope to reduce with continued presence of police in our area.

## Rural Crime operations

One of priorities set for the month of December was set as Rural Crime targeting. I am pleased to report that our rural crime team supported by our community policing team have conducted 2 planned operations on 6<sup>th</sup> and 20<sup>th</sup> December. This was a great success which led to 3 persons being arrested for hare coursing and some great work by our local PCSO's with the help from local farmers to catch these suspects, who remain under investigation.

Christmas Eve saw some great proactive work by our community policing team and specialist dog section when they intercepted hare coursers in the act, which led to vehicle seizures and 4 persons were arrested for trespassing and hare coursing offences. There is some exceptional proactive work being carried out by our teams and that will continue into the New Year.

## Community Speed watch

Supporting our community speed watch colleagues was one of our priorities for December. Whilst it is disappointing that driver's still speed through our communities, our teams have been busy trying to target these drivers. On 3<sup>rd</sup> December, we spent some time in Middle Woodford and spoke with 4 drivers for speeding. On 11<sup>th</sup> December, members of the team spent time in Enford with the community speed watch team and on 12<sup>th</sup> December we were in Shrewton where 5 vehicles were stopped and advised and 1 speeding ticket issued to a driver. This continues to be one of our priorities into the New Year.

## Proactive drugs warrants

January/February 2020

You may have seen in local media that a positive drugs warrant was conducted on Monday 23<sup>rd</sup> December on Tidworth Road, Ludgershall. This led to a quantity of Class A drugs being located at the address and occupants being investigated for the supply of drugs. The supply of drugs is something we take very seriously and our community officers are busy trying to identify where this is occurring and we will be continuing this proactive work in the coming months.

## Awards and recognition

### PC Lucy Smith- Award for excellence in partnership working

Many of you will have met and worked with PC Lucy Wileman over the previous years, Lucy is a fantastic community officer with her passion of the role and knowledge of her area we felt it was important for Lucy to be recognised for her excellent work in partnership working and community policing. Lucy was nominated and won the force award for excellence in partnership working. We are incredibly proud of Lucy for this award, she has worked hard to build strong relationships in the community with parents, young people, local communities and businesses and we are thrilled she remains part of our team.

### PC Lyndsey Smith - Chief Constable's Commendation

When on patrol during a night shift, Police Constable Lyndsey Smith was alerted by a member of public who said there was a man on the A303 flyover who appeared to be in need of help. She arrived to find a man in an emotional state, who had one leg over the bridge.

With quick thinking, she physically pulled the man back over the bridge and single handedly restrained him, keeping him safe until help from colleagues arrived.

This was an exceptional example of police work and the types of incidents our team can be called to and we are extremely pleased that PC Smith has been recognised for her outstanding actions.

## [Grants Guidance](#)

[The funding criteria and application forms](#) are available on the council's website.

### **2. Main Considerations**

2.1. Councillors will need to be satisfied that funding awarded in the 2019/20 year is made to projects that can realistically proceed within a year of it being awarded.

2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.

2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria.

### **3. Environmental & Community Implications**

Grant Funding will contribute to the continuance and/or improvement of cultural, social and community activity and wellbeing in the community area, the extent of which will be dependent upon the individual project.

### **4. Financial Implications**

Financial provision had been made to cover this expenditure. There is currently £36,052.66 remaining in the Amesbury capital grants fund. The applications total £16,649.80. If the awards are all made in full, there will be £19,402.86 remaining in the fund.

### **8. Safeguarding Implications**

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

**Project Description:**

To refurbish the old pre-school toilets at our local charity run nursery in Amesbury. We cater for the very high demand of childcare spaces needed for parents of pre-school children mainly funded so they have an equal opportunity to experience an early education that their parents may not afford without funded places. We wish to renew the toilets for a safe and child friendly environment with the necessary facilities needed. Please note these are the old toilets from the Childrens Centre which have not been replaced in approx 15 years.

**Input from Community Engagement Manager:**

The building is owned by Wiltshire Council on a long lease and Smiley Face Nursery is responsible for the upkeep of the building. The new toilets would constitute capital expenditure. Match funding is available. The application meets our grants criteria.

<a href="#">3552</a>	Woodford Parish Council	Speed Indicator Device for Middle Woodford	£1450.00

**Project Description:**

A SID is required in Middle Woodford in further endeavours to curb speeding through the village. The Parish Council will be redeveloping its website to further disseminate such key information. However the provision of the new noticeboards is essential in its own right as the Winterbournes have a high proportion of elderly residents many of whom will be less able or unable to rely on the internet.

**Input from Community Engagement Manager:**

Match funding is available and the application meets our grants criteria. This will be an important focal point for the community
