What are the Fatal Five?

- Careless driving
- Drink and drug driving
- Not wearing a seatbelt
- Distracted (using a mobile phone)
- Speeding

Road users who commit one of the Fatal Five offences are far more likely to be involved in a fatal collision than those who do not.

People are dying on our roads as a result of motorists' poor driving, reckless decisions and momentary lapses in concentration.

Fatal collisions are heart-breaking – for the family, for the community, and for the responding emergency services staff who have to witness the tragedy and subsequent aftermath and we've seen too many this year already.

Stopping any more deaths from occurring as a result of something unnecessary and totally avoidable is a top priority for us.

Across the Summer, our Community Policing Teams, along with speed enforcement officers and the Roads Policing Unit will be making sure motorists are being safe and driving smart.

Community speed enforcement officer-updates

Local Priorities & Updates

| Priority | Update |
|-------------------------------|---|
| Thefts/Rural Crime | During the last 2 months, a spike in local thefts from vehicles and thefts from outbuildings has been identified. Work will now focus on both investigation of offences, and increasing 'crime prevention' advice to residents through drop in sessions and engagement opportunities |
| Speeding | In feedback to resident concerns, the Neighbourhood Team have conducted multiple speeding checks across the Marlborough sector with a range of drivers given words of advice, driver improvement courses or summonsed to court. These will be continue and are publicised on social media |
| Increase In police visibility | A core current priority is to increase police visibility within the community, through both physical and online presence. There has been a real drive and significant focus on high visibility policing in rural villages. Over the last 3 month period response and neighbourhood officers have recorded nearly 100 high visibility patrols in rural villages, including engaging with shops/premises and community events. This will continue |
