

**DECISION NOTICE**  
**Southern Area Licensing Sub Committee**  
**Decision made on 2 March 2016**

**Application for Variation to a Club Certificate; Salisbury Lawn Tennis Club, Old Blandford Road, Harnham, SP2 8DG**

**Decision:**

**The Southern Area Licensing Sub Committee resolved to GRANT the variation to the Club Certificate for Salisbury Lawn Tennis Club Old Blandford Road, Harnham, SP2 8DG, to change the licensed area internally and to include the external area, as shown edged red on the revised plan (agenda item 13 - appendix 7), as a licensed area with the following condition:**

- 1. That any licensable activities on the Premises shall comply with a Noise Management Plan as agreed by Environmental Health.**

**Reasons:**

After taking into account the written representations from all parties and the oral arguments received at the hearing, the Sub Committee carefully considered the concerns raised by those who had made representations regarding the application. These concerns related principally to alcohol consumption and associated noise at the club and the surrounding area.

The Sub Committee noted the willingness of the Applicant to seek a change in the Club Rules to prohibit alcohol being brought on to the premise by members and their guests. The Sub Committee considered that such a change would be beneficial.

The Sub-Committee considered that it was appropriate to add a condition requiring compliance with an agreed noise management plan, in order to address some of the concerns that had been raised by local residents regarding noise from the Club's activities.

The Sub Committee also considered the relevant provisions of the Licensing Act 2003 (in particular Sections 4 and 35); the guidance issued under Section 182 of the Act and the Licensing Policy of Wiltshire Council.

The granting of this variation to the Club Premises Licence is without prejudice to any other consents or approvals, including any planning permission that may be required.

## Appeals:
